KINGSCAIRD DISPERSAL

The dispersal of the Kingscaird Herd marks the end of a remarkable chapter in Scottish Holstein breeding, while also signalling the beginning of an exciting new venture for the Kemp family.

Over the past ten years, Peter has become a familiar and respected figure at Borderway, Carlisle, where his monthly consignments have consistently attracted repeat customers from across the UK. Buyers have come to trust the Kingscaird name, knowing that cattle from this herd go on to milk well, last well, and deliver profitability for their new owners. That reputation has been earned through careful breeding decisions, excellent stockmanship, and a genuine passion for the Holstein breed.

This dispersal sale of the entire youngstock comes as a result of the sale of the family farm in Aberdeen, with Peter now looking ahead to the next stage of his dairying journey. His intention to relocate closer to Cumbria and establish himself once again within the dairy industry reflects both his determination and his enduring enthusiasm for cattle breeding.

We would like to thank Peter for his longstanding support of Borderway sales and wish them every success for the future as they embark upon this new chapter. We are certain that the Kingscaird influence will continue to be seen in successful dairy herds for many years to come.

We commend this outstanding dispersal of youngstock to breeders and milk producers alike and trust buyers will purchase with confidence on Wednesday 20th May at Borderway Market, Carlisle.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
