BROWNFIELD YOUNGSTOCK SALE

The Brownfield Pedigree herd is situated on the outskirts of the town of Dumfries with 330 cows currently averaging 11402kgs 4.57% butterfat 3.41% protein. This is equates to 910 kgs of combined butterfat and protein per cow and is achieved on two times a day milking with a Calving Interval of 388 days!

Due to heifer numbers growing significantly the decision has been made to stage this special youngstock sale that features half of all the heifers born from April 2025 to April 2026. This special group features powerful bulling heifers ready to breed down to attractive five month old heifers. Selling are 33 heifers 16 – 13 months old, 34 heifers 12 – 9 months old and 33 heifers 8 – 5 months old.

The herd is feed on a TMR of grass silage, whole crop, moist grains and a dairy blend, during the spring and summer months the pregnant cows are grazed and buffer fed at milking time.

The breeding objectives for the past decade have been consistent and straight forward. To breed a cow with average stature, with width of chest and wide level rumps with particular focus of breeding excellent feet and legs. To help achieve this the Genus mating programme was used and the results speak for themselves.

In 2025 seven cows in the Brownfield herd were awarded with 100 ton Lifetime Production certificates. 100 ton cows feature throughout this catalogue with no less than 17 heifers bred from dams that have achieved this amazing status! Brownfield Bogart Dimple 2 EX95-8E is one of these special cows. She was pictured in August this year in her eleventh lactation having already produced 140 ton lifetime. Three heifers feature in the catalogue from her (Lots 150, 151 & 152)

Genomic data has also driven herd progress and all the heifers selling have been genomic evaluated (data on younger heifers has not been received to date) Lot 131 is an interesting heifer with a GPLI+£510 she is s daughter of Raiton and goes back to an Excellent Uno third dam that gave over 15000kgs. The following lot 132 is another Raiton daughter with a GPLI+£568 and goes back to a Luster P that gave over 60 ton lifetime.

Type matters at Brownfield. The herd is packed with impressive Excellent and Very Goods classified cows. The heifers selling in this special sale are bred from outstanding dams. In total the heifers are bred from 3 Excellent, 31 Very Good and 25 Good Plus dams. Lot 126 Brownfield Aster Herose is one of these special heifers with an EX93 pointed dam. Her dam, Brownfield Lineman Herose EX93 gave over 70 ton lifetime with butterfat @ 4.97%!

Excellent Herd Health

Heifers from Lot 121 – 170 have been grazing and have been vaccinated for IBR, BVD, Lepto, Black Leg and are fully wormed with Cydectin LA. They have also been fully vaccinated for Blue Tongue (Bultavo-3 at turnout) Heifers from lot 171 have not been turned out and are vaccinated with Rispoval. The Herd is in a four year TB testing area and there as never been TB within the herd.

I highly recommend these heifers to all breeders and milk producers currently in the market for well bred and well developed Holstein heifers. This is an exceptional group that display enormous potential and without doubt delivers on production, longevity and profitability.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us.
