Our Heritage – Your Future

Foreword

I was given two pieces of advice when I started buying into elite pedigrees. Firstly, always buy the very best embryos you can afford and secondly to always sell your very best. Hopefully this catalogue demonstrates that both those pieces of advice have been taken on board.

My first Holstein purchase was Lillyhall Mahogany Rox Red purchased from the Harpers in the 2014 Black and White Sale. She was a lucrative purchase with her progeny and embryos selling well. She went on to classify EX90 and has two EX94 daughters, her great granddaughter sells in the sale.

I firmly believe in the power of partnerships within this industry. No partnership has yielded more success for us than the one developed with Absolute Genetics and Graham Kirby. Our first animal marketed together was Auchensala Adeles Doorman Ava EX90 who has developed into a 4-star brood cow with over 40 daughters. She provided us with the confidence to grow the partnership into daughters of Miss Apple Snapple and most recently into the purchase of a daughter of Blondin RD Unstopabull Maple EX94 alongside our friends at Hodglyn Holsteins. Hodglyn Altitude Madison VG87 features heavily in this catalogue with her red Ambrose daughter selling as lot 1. One of our proudest moments was when she won her class at the 2024 Royal Agricultural Winter Fair in Toronto.

I have made many friends through the pedigree industry, too many to mention in this short preface, however I would like to thank Wille Fleming and family at Hillhead. From supplying recipients to accommodating calves, his hospitality is greatly appreciated.

Thank you to everyone attending the sale and bidding online and to all the consignors. Please enjoy the atmosphere and hopefully head home with a special purchase.

THE MAGIC OF MAPLE

Kirby tours 2013 took us to the Royal in Toronto. I remember a pretty nice Red and White 3 yr called Lochdale Shaquille Missy EX-93 2E that was 1st 3yr and intermediate champion Red and White. Little did I know that she would become the Grand Dam of possibly the greatest Red and White of all time – **BLONDIN RD UNSTOPABULL MAPLE EX-94 4YR.**

Maple was to take her turn at the Royal in 2021 when she was shown as a second calf snr 2yr winning the Red and Whites and repeating her success the following day in the Black and White ring.

She was due with her 3rd calf at the end of Aug 2022 with numerous interested parties keen on purchasing her from Adam and Jess Hodgins.

Adam had a sale booked for 25 June that year with a first choice Altitude selling from Maple. It was at this point I spoke to Brian Carscadden. I asked him “how does Maple look” He replied “Incredible”. That was it, I had to have one of her daughters!

Maple would be sold to a group of breeders in the USA and would travel to Madison as a 3rd calf Sn 3yr. Ali Cook and I purchased Hodglyn Altitude Madison with Adam retaining an interest. Maple would compete in the Black and White section. She was 1st Sn 3yr, Intermediate champion and Reserve Grand. She then came to Toronto in November and swept all before her in both the Red and Whites and the Black and Whites. She Was INVINCIBLE – THE GREATEST.

A few weeks after the Royal Maple was tragically lost. Our Altitude daughter calved in and went VG-87 2yr. She followed in her mother’s footsteps winning the 2yr class at the Royal in 2024. She’s due with her second calf this summer.

Today is your chance to buy into the Maple dynasty.

Seize it with both hands and enjoy the ride ! GK

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.

5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
