The Inspectors will have regard to general health and genetic defects, particularly mouth, teeth, eyes, testicles, locomotion and general conformation. Animals will be placed in a crush for this inspection – as required by the inspectors.

Two Society Members will form an Appeals Committee, one of whom will be a Society Council Member. The Appeals Committee will be elected prior to the sale and named in the catalogue.

If any exhibitor feels the need to formally lodge an appeal against the result of an inspection, they must from the beginning speak ONLY to the Chief Inspector. He will then ask for a deposit of £20 from the exhibitor. The Appeals Committee will then carry out their own inspection of the animal and their decision will be final. The deposit will only be returned if the appeal is successful.

REJECT ANIMALS - the lot numbers of rejected pedigree animals are to be marked in red at the time of inspection and this is to stay in place for the duration of the sale. If such an animal is subsequently sold privately, from the pen, the sale is to be put through the Auctioneers' books. Such rejected animals are not covered by warranty. Any pedigree stock rejected by the Inspectorate, for any reason whatsoever, must be withdrawn from the show.

No vendor shall withdraw from sale any animal catalogued for sale. A summary fine of £50 is charged if a member fails to produce a veterinary's certificate, accounting for such absence on the grounds of health, within 7 days of the sale.
