LOTS 17 & 18 WITHDRAWN

George L Stuart Birness Flock

The Birness Flock was established in 1978 and from the outset emphasis has been aimed at producing quality stock for the pedigree and commercial market.

We have built up the flock without any use of Embryo Transfer and run 170 pure breeding ewes at Birness. The flock has had some success over the years with rams selling to fellow breeders 43,000gns Muzza, 30,000gns Bees Knees, 30,000gns Play Boy, 26,000gns Freedom plus many more. Birness gimmers have also peaked twice at 9000gns.

The gimmers forward for this sale are on the Heptivac-P system, Scrapie Monitored and have been vaccinated with Toxovax and Endovax.

They are a great selection of gimmers which would have been joining our own breeding flock, so it gives you a great opportunity to purchase some of our genetics.

For enquiries or more information please contact Melvin on 07803 186746 or George on 07743 735059.
