VET'S LETTER

The Breachgorse herd has been under the care of MBM Vet Group since January 2025 when the herd moved to Ayrshire. I have performed routine fertility visits there fortnightly and have enjoyed building a relationship with the Leadbetter family who clearly take great pride in their work. The herd has been treated with great care and attention to detail at every point, from calf rearing to the health of the milking herd. This is reflected in the production statistics of the lactating cows.

Details of the vaccination status of the herd have been included, but youngstock are also vaccinated against IBR, Pi3 and RSV following a robust vaccination protocol. The Johnes ATV at the last measurement in January 2026 was 5.68.

I would like to take this opportunity on behalf of MBM to wish the Leadbetter family all the best for the future, I know the decision to disperse their herd has not been easy.

TERMS

All purchasers please note that accounts must be settled at the close of the sale

ONLINE BIDDING

Is available through Marteye.

AUCTIONEER'S FOREWORD

The Breachgorse story is one of determination, ambition and outstanding stockmanship. From humble beginnings and a foundation of just ten cows purchased little more than fourteen years ago, Doug and Katherine Leadbetter have carefully developed an outstanding Pedigree Holstein herd. Through a commitment to cow comfort, attention to detail and a clear breeding policy focused on longevity, production and functionality, the herd has established an enviable reputation for both performance and consistency.

The Leadbetter family's achievements have been recognised repeatedly through numerous herd competitions and industry awards and had become one of Derbyshire's most respected pedigree Holstein herds before their move to North Ayrshire in Scotland.

Among the many accolades gained have been victories in the Derbyshire Herd Competition, NMR performance awards and Holstein UK competitions, culminating in the herd being crowned Overall Champion Dairy Herd and winner of the prestigious J.H. Prince Salver, together with a special award recognising their commitment to animal health, welfare and wellbeing.

Today the herd is averaging 10249kgs at 4.76% butterfat and 3.69% protein at the most recent milk recording on the 16th July the herd averaged 34.42kgs with an average cell count of 136. The herd is all year round calving and managed in cubicles throughout the winter months on a mainly grass silage TMR. The herd grazes during the day in the spring and summer months.

At the heart of the Breachgorse breeding programme has been a desire to breed the "proper Holstein" - cows that combine strength, functionality, productive udders and the ability to perform efficiently within a commercial environment. Doug and Katherine have achieved this and more. The sale comprises 2 Excellent, 27 Very Good and 15 Good Plus cows this also includes 4 Very Good heifers in milk and 12 Good Plus heifers in milk although this only tells a small part of the story as the herd has been classified for the first time recently. It is packed with quality animals with desirable traits for the modern milk producer.

In total 138 cows and heifers sell comprising of 38 heifers in milk, 30 cows in their second, 30 cows in their third and 40 cows milking in their fourth or higher lactations. One of the big attractions in this special dispersal sale is the freshly calved animals 55 cows and heifers sell freshly calved since May with an additional 37 to calve before the end of the year. This includes 7 very special In Calf Heifers that are due soon.

Breeders and milk producers should pay special attention to the younger portion of the milking herd. They feature 10 Lambda and 5 Chief daughters that really catch the eye. Breachgorse Pikachu Agnes VG86 2YR is a great young cow recently calved in her second after producing over 9000kgs in her heifer lactation, her dam is an Excellent Kimball who sells dry due with her third having produced over 50 ton in her first three lactations. The herd is packed with super long-life cows with Super Production Awards and massive Lifetime Production Awards.

Another exciting feature in the Breachgorse dispersal sale is the top quality youngstock on offer. Selling are 15 In Calf Heifers, 18 Short Bred Heifers, 29 Bulling & Yearling heifers and 44 heifer calves. They are all sired by the best bulls in the business including Renegade, Trooper, Pazzle and Gameday to mention a few. These heifers are all well grown and display huge potential to develop into special cows in the future.

The cattle offered represent generations of careful breeding and selection. They have been managed within a progressive system where cow welfare, nutrition and attention to detail have always been paramount. Buyers can purchase with complete confidence, knowing that these cattle originate from a herd developed around sound management principles and proven performance.

Whilst dispersal sales are always tinged with sadness, they provide a rare opportunity for breeders and commercial dairymen alike to acquire genuine breeding stock from a herd established through years of dedication and hard work. Whether seeking productive cows, promising young females or genetics from proven cow families, purchasers will find quality throughout this catalogue.

On behalf of Harrison & Hetherington, I would like to thank Doug, Katherine and their family for entrusting us with the dispersal of this outstanding herd and wish them every success for the future. We are confident that Breachgorse cattle will continue to leave their mark in herds throughout the United Kingdom for many years to come.

We look forward to welcoming buyers from across the country to Borderway on Friday 21st August for what promises to be a memorable sale.

Glyn Lucas
Auctioneer

SELLER'S FOREWORD

Welcome to the complete dispersal sale of the Breachgorse herd. To stand at Borderway today and see our cows listed in this catalogue is a profound milestone for our family and one we meet with total pride in what we have achieved. We have known no other life but agriculture, having spent the last 23 years farming since leaving school.

Fourteen years ago, Katherine and I set out to build a dairy legacy of our own from scratch. We were fortunate to have the backing and kindness of good friends and neighbours in those early days as we physically built the walls of Breach Gorse.

Taking the ultimate leap of faith, we later undertook the massive cross-border relocation to the 282 acres of Burrowland in North Ayrshire—a monumental journey that our children walked right alongside us every single step of the way.

The cattle before you today are the result of that 14-year obsession. Every animal carrying the Breachgorse name has been bred, reared, and cared for not just as milk-producers, but as our daily companions and best friends. They have looked after us, and we have looked after them as a family.

Running a commercial dairy unit requires total, unyielding dedication. Having achieved the goals we set out to reach when we first started, we have decided that the time is right to hand over the keys to a lifetime of genetic progress.

This sale marks the end of a very special era for us, but it opens the door to new opportunities ahead for us and our children. This is a rare opportunity to acquire powerful, settled, high-yielding dairy cattle managed with absolute integrity.

We thank all those who have supported us over the years, and we wish you the very best of luck with your purchases.

Doug & Katherine Leadbetter

**Thomas
Graham** Est. 1892

**READY TO BUILD
THE PERFECT SHED?**

WE'VE GOT YOU COVERED FROM THE GROUND UP!

Whether you're starting from scratch or upgrading a worn-out structure, we supply everything you need to build a shed that's strong, durable, and ready to last. Forget running to multiple suppliers. We provide all the materials you need to get the job done right!

- ✓ **Reinforcing Materials**
for a solid foundation
- ✓ **Universal Beams**
for core structural strength
- ✓ **Circular Hollow Sections & Flats**
for versatile framing & fabrication
- ✓ **Roofing Products & Accessories**
to provide a weather-tight finish
- ✓ **Fixings**
to hold everything together from nuts and bolts to cladding screws and much more

HEALTH AND SAFETY RULES HARRISON & HETHERINGTON LIMITED NOTICE TO ALL VISITORS AND TRADERS PLEASE READ AND OBSERVE THE FOLLOWING

All visitors and traders on site will be responsible for ensuring that they and their employees or sub-contractors engaged by them comply with all legal requirements, including the Health and Safety At Work etc., Act 1974, The Management of Health and Safety At Work Regulations, The Provision And Use of Work Equipment Regulations, etc.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

Passageways must be kept clear at all times during the auction sale. PLEASE DO NOT STAND IN THE SALE RING ENTRANCE AND EXIT PASSAGES.

The auction ring man escapes and refuges must be kept clear at all times.

All portable electrical equipment supplied and/or used by visitors and traders must be safe and fit for the purpose and should have a valid portable appliance test certificate.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us. We may share the information with other members of our group and may make this information available to relevant media groups and other interested parties on request. We and other members of the group may contact you by telephone, e-mail, post or fax to inform you of products or services available. If you do not want to be contacted for marketing purposes or do not wish your information to be made available to any other parties please notify us in writing.
