## **British Blonde Cattle Society Sales Herd Health Entry Requirements**

- ✓ Herds selling at Society Sales have to be members of a CHeCS approved Herd Health Scheme through either Biobest Herdcare, SAC Premium Cattle Health Scheme, HI Health, Advance Cattle Health Scheme, NML Herdwise or the AFBI Cattle Health Scheme. The Society does not require your whole herd to be tested, just the animals you have entered for sale.
  
- ✓ All animals male and female, including calves at foot, presented at Society Sales be EITHER from a BVD Accredited Herd within a CHeCS approved Herd Health Scheme OR to have been BVD tested virus free.  
  
Any animals testing positive for the BVD virus cannot be entered and presented for sale.  
  
If you have used the tissue tags to sample test for BVD and the animal is not a PI, then you don't need to test again.  
  
All animals that do not meet the above requirements cannot be presented for sale.
  
- ✓ A copy of all Vet certificates for each of the above tests must be available to the Society on request.
  
- ✓ All vendors give the Society/Auctioneers the right to verify all health data supplied with the vendors Health Scheme provider.
  
- ✓ The Society reserves the right to conduct random blood tests on any animal entered for sale, for illicit substances.
