IMPORTANT NOTICE TO VENDORS

INSPECTION: All bulls entered will be veterinary inspected at the market. All entries must be penned at least 2 hours prior to the commencement of the inspection (full timetable to be advised). Bulls not presented for the inspection will not be accepted for the sale. Animals will be inspected in the sale premises and, by a ruling of the Directors, the inspector(s) is empowered to instruct any exhibitor to withdraw from the sale any animal they consider not to be of the required standard. Bulls will be inspected by a vet appointed by the Society. Bulls not attaining the required minimum testicle size, or displaying irregular testicular conformation or displaying overshot or undershot jaws will be rejected from the sale.

HEALTH TESTING REQUIREMENTS: The Beef Shorthorn Cattle Society operates a compulsory health testing scheme at all Society sales as listed below.

Full details of all requirements are also available on the Society website –

<https://www.beefshorthorn.org/health-test-requirements>

It is the responsibility of the vendor to ensure that the correct tests have been carried out and that health pen cards are available for the sale.

- As of 1 January 2021, any bull carrying a double deletion of any myostatin variant will be ineligible for a Society recognised sale or a Society recognised or supported sale. This rule will also apply to bulls carrying single deletions of two distinct variants.

Health Testing Requirements for Beef Shorthorn Society Sales

Amended January 2020

- 1) All animals entered for Beef Shorthorn Society Sales must come from herds which are members of a registered CHeCS health scheme and must have been testing for BVD and Johne's Disease for a minimum of 12 months.
- 2) All animals must be individually blood tested no more than 3 months prior to the sale for BVD antigen and IBR antibody unless coming from a herd which has accredited status for the relevant disease. Accredited herds do not need individual animal tests for the diseases for which they are accredited.
- 3) All females whether from an accredited herd or not must be vaccinated against BVD to provide cover for the relevant period (ie, the sale date) relating to the type of vaccine. The vaccination date must be submitted to the relevant health scheme provider when the pen card is requested. It is recommended that males should also be vaccinated as above.
- 4) Animals testing antigen positive (PI) for BVD will not be accepted for sale.
- 5) The results of the blood tests must be displayed at the sale on a health pen card supplied by a CHeCS accredited health scheme.
- 6) All animals must have a risk level for Johne's displayed on the pen card and this must be a minimum level 4.
- 7) All animals must have an individual pen card with the date of the last TB test and the testing interval (or completed as 'TB exempt' where applicable). The box must not be left blank.
- 8) All bulls, of any age, entered for sale at a Society Sale must have their myostatin status listed in the sale catalogue.
- 9) Calves under 1 month old cannot be accepted for sale.
- 10) Calves at foot over 1 month from non BVD Accredited herds need to be tested for BVD antigen. Calves from BVD accredited herds do not need to be tested.
- 11) No other health information will be allowed to be displayed.
- 12) It is the responsibility of the vendor to ensure that the correct tests have been carried out and that the health pen cards are available for the sale.

Advisory checklist for vendors

- 1) Blood test all animals bound for sale (including calves over 1 month old which need only be tested for BVD antigen) no more than 3 months prior to the sale and at least 1 month prior to sale.
- 2) Vaccinate all animals bound for the sale against BVD. Ask your vet for advice on when to vaccinate.
- 3) Send the blood samples to one of the CHeCS accredited health schemes (details on Society website) stating that tests are required for BVD antigen and IBR antibody and **request a health pen card stating clearly that the animals are entered for sale at a Beef Shorthorn Society Sale.**
- 4) If herd accredited for BVD and IBR, request pen cards at least 4 weeks prior to sale with vaccination information.
- 5) Make sure you have received the cards before you arrive at the sale and check that all the relevant information is displayed on the card.

TB PRE-MOVEMENT TESTING: TB pre-movement testing is a mandatory requirement for all cattle over the age of 41 days moving out of yearly tested herds must be pre-movement tested within 60 days prior to sale.

CONDITIONS OF SALE: All cattle will be sold with a NBA fertility warranty (terms and conditions of sale available on request). The cost of this warranty is £6 + vat per male animal and £4 + vat per female animal. This cost will be divided equally between the vendor and the purchaser and collected by the auctioneer at the time of sale. The auctioneer will pay this money directly to the NBA. Vendors at Society sales agree to be bound by this warranty. The Sale is held subject to the Auspices of the Beef Shorthorn Cattle Society. Transfer of ownership to the purchaser will be undertaken by the Society free of charge.

METHOD OF SALE: All cattle will be sold in guineas (105 pence) and strictly in catalogue order, unless any alteration is announced by the Auctioneers.

SOCIETY SALE LEVY: A levy of 3% of the net (after deduction of auctioneers commission) will be deducted from the vendors statements before settlement and paid to the Beef Shorthorn Cattle Society.

UPSET PRICE - There will be an 'Upset Price' of 1800gs on each bull entered for the sale, if no opening bid of 1800gns is received for any particular lot, the animal concerned will pass out the sale ring unsold.

The proceeds of sale are guaranteed by the Auctioneers. Please note that as of 1st May 2021 we will no longer be issuing cheques from any of our sale centres. If you are not already registered to be paid by BACS please contact the H&H sales office 01228 406200 and the necessary information will be sent to you for completion prior to the sale.

ACCEPTANCE OF STOCK: Due to present DEFRA regulations the arrival of stock can only be accepted onto the market premises the day prior to the sale. Any alteration will be notified to all vendors however we request that all arrival times must be strictly adhered to when published in the sale catalogue.
