Foreword

Welcome to the 39th edition of the Black & White Sale — the UK's premier showcase of elite Holstein genetics and one of the most anticipated events in the global dairy calendar. Since its inception in 1986, the Black & White Sale has stood as a symbol of excellence, innovation, and passion within the Holstein breed — a place where dreams, dedication, and generations of breeding expertise meet under one roof.

Each year, this sale has written new chapters in the story of success. Many of today's leading herds can trace their foundations back to animals that walked through the Black & White sale ring — cows and heifers that went on to make a mark not only in the show ring, but also in breeding programs across the world. The sale has been a launchpad for future champions, for herds built on strength and reliability, and for young breeders taking their first steps into the exciting world of elite genetics.

This 39th edition arrives at a time of renewed optimism for the dairy industry. Despite the challenges that farming inevitably faces, the appetite for top-tier Holstein genetics has never been stronger. Around the world, breeders continue to seek the kind of quality, type, and performance that the Black & White Sale has become synonymous with. As sustainability and efficiency take centre stage, the modern Holstein — backed by generations of intelligent breeding — stands ready to meet the demands of the future.

To every dairy farmer, breeder, and young person passionate about cattle — this is your moment. Whether you're investing to strengthen your herd, to chase show ring success, or to build a legacy for the next generation, the opportunities here are exceptional. The animals presented in this sale are more than just genetics — they represent vision, progress, and the shared belief that the best is yet to come.

As we celebrate nearly four decades of achievement, camaraderie, and excellence, we look forward with confidence. The Holstein breed continues to evolve, and those who dare to invest in its future will be the ones who shape it.

Enjoy the sale, embrace the spirit of competition and community that defines it and take pride in being part of the continuing story of the Black & White.

Here's to the breeders, the dreamers, and the future of the Holstein cow.

Thanks for milking

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
