Foreword

Next year will be the 20th Anniversary of the establishment of the **CARLDANTON** Pedigree Holstein herd. Over that short period of time Anthony has established a wonderful Holstein herd, built on the best cow families in the Holstein breed. Originally the Carldanton herd was managed at Smithhills Open Farm, an open farm and one of Bolton's most popular visitor attractions, the dairy at Smithhills is now home to the Carldanton Pedigree Jersey herd.

Two years ago the Carldanton Holstein herd moved to Minnie Meadows a new state of the art facility where construction is ongoing. At that time 100 cows and heifers from the Riverdane herd were purchased in a private transaction to increase numbers to over 300 milking cows. Currently the herd is averaging **11512kg at 4.23% butterfat and 3.25% protein** with a 392 day Calving Interval.

Sexed semen has been used extensively resulting in youngstock numbers outgrowing the current heifer facilities. Heifers from every age group have been selected for this special event with all ear-tags ending in an even number selected. The heifers selling comprise **13 cows & heifers in milk, 18 in calf heifers, 25 bulling heifers, & 15 heifers born in 2024** and includes several world class pedigrees and individuals that can grace the very best show rings in the country.

In this year's Summer & Winter Lancashire Herd Competition the Carldanton herd featured in many of the special awards. **Carldanton Explode Springsteen EX94** won the Champion Cow having produced over 100 Ton of milk, her daughter **Carldanton Chief Springsteen EX94** was Champion Cow having produced over 70 ton and her full sister **Carldanton Cheifs Springsteen VG86 2yr** was Champion Heifer. **The Springsteen Family** won the Family Group and a special group of Stanton Chief daughters won the Progeny Group.

Both of these two Chief sisters were stars at the 2024 UK Dairy Expo with **Carldanton Chief Springsteen EX94** placing 2nd in the Production Class and **Carldanton Cheifs Springsteen VG86 2yr** placed 3rd in the Junior 2year old class. Progeny from both of these awesome cows sell.

The Springsteen cow family has been an incredible addition to the herd as has the **ASHLYN, MAHOGANY, MATTIA, SHARON, SARA & LILI** cow families. The front cover cow **Jacobs Sid Beauty EX95** sold for \$170,000 in the 2017 Equinox Sale she was named as the 2015 Intermediate Champion at World Dairy Expo. A September 2024 Arrow great granddaughter sells from Beauty!.

One of Anthony's best investments was when he purchased Lavenham Adeen from the Holmland herd back in 2010 following the purchase of Holmland Starboy Adeen in the Genetic Elite Sale at Borderway. Adeen went on to win Grand Champion at UK Dairy Expo, Agriscot and the Great Yorkshire Show and has been a prolific transmitter. A super fancy Lambda sells from Adeen!

Buyers from the 2019 and 2021 Carldanton Sales have had a ton of success with Carldanton cattle and the heifers in this sale will once again give breeders the opportunity to own the very BEST Holsteins.

Herd Health

The herd is tested BVD & Lepto free and is Johnes accredited free. The herd is situated in four-year TB testing area, with the last test in January 2024, and there has never been a case of TB within the herd.

WHY NOT bring your bull to our Stud so semen can be collected at **EXPORT STANDARD**?

UK SIREs have exported semen from over 40 breeds, all over the world. We collect and process at our modern facility on the Stud in Dartington, Totnes, before storing ready for distribution to individual farmers and breeding operatives in the UK or marketing through our own retail service both here and overseas

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
