W: www.harrisonandhetherington.co.uk

CHAROLAIS

All Sales will be held under the present government guidelines, there will be restrictions applied to both vendors and purchasers attending the markets during these sales.
With the guideline information changing on a regularly, the details of the restrictions to attend the sales will be announced nearer to the scheduled dates.

CLASSES AVAILABLE:

BULLS - not less than 13 months of age on the day of sale

ie – born on or before 15th April 2020.

FEMALES – open for any age of female.

All animals MUST be entered and registered in the herd book of the British Charolais Cattle Society and is open to all Members of the Society

**AN ENTRY FEE OF £30.00 (£25 + £5.00 VAT) MUST
ACCOMPANY ALL ENTRY FORMS.
FAILURE TO DO SO MAY LEAD TO NON ACCEPTANCE OF ENTRY.**

Important Notice of Vendors

All cattle entered for the sale to be from a CHECS BVD Accredited Herd or are BVD antigen tested negative and are fully BVD vaccinated. For more information see BCCS Website.

DNA TESTING: ALL CHAROLAIS BULLS MUST BE DNA SIRE VERIFIED. Please contact the British Charolais Cattle Society office for the relevant DNA sampling bags.

TB PRE-MOVEMENT TESTING - TB pre-movement testing is a mandatory requirement for all cattle over the age of 41 days moving out of 1 year tested herds must be pre-movement tested within 60 days prior to sale.

1 INSPECTION: All animals entered for the sale must be available for inspection in the sale premises. An Official Inspector, appointed by the Society may order the rejection of any animal which, in his opinion, is below the required standard of conformation and does not represent a good specimen of the Breed. Any rejected animal must be forthwith removed from the Sale Premises and returned to the Vendor's premises at the Vendor's expense.

Exhibitors must ensure that all cattle entered for sales are tagged and tattooed correctly. Failure to do so will lead to the animal being rejected from the sale.

SOCIETY DISCLAIMER: "All animals are subject to a pre-sale inspection to provide a minimum standard, and animals are sold with all patent defects, and any subsequent claim after the fall of the hammer is against the vendor and not The British Charolais Cattle Society Ltd."

2 The appointed Stewards have been instructed to reject any animal which is not controllable by normal means at any time during the Sale period.

3 A minimum upset price of 2,000 guineas will be set for all Bulls.

4 EVERY BULL entered for the Sale, MUST BE ADEQUATELY TRAINED TO LEAD BY HALTER and MUST BE PARADED FOR INSPECTION unless exempted by the Stewards. Evidence of faults of temperament, vices etc., may lead to disqualification.

5 ESTIMATED BREEDING VALUES (EBV's) - All animals with two official Breed Plan weighings will automatically have their BLUP information detailed at the foot of the entry.

6 MINIMUM WEIGHT FOR AGE - The Charolais Society have adopted the Minimum Weight For Age Scheme. This scale is available from the BCCS Office, however it is considered weight alone should not be the leading criteria and conformation should be taken into account. Therefore a bull of good conformation but under scale weight would not necessarily be rejected and similarly a bull which has attained the scale weight but of poor conformation may be rejected. All bulls offered for sale must have a Minimum Scrotal Circumference of 34-36cm at 13-18 months of age: 36-38cm at 18-24 months of age; 38cm at 24 months age and over. Any bulls found to be below the minimum Society standards will be rejected by the inspectors, and no second opinion shall be sought from a vet.

7 Any female which has been used as a donor for Ovum Transplant purposes must be declared. Retention of ova must be declared. Any female which has had a Caesarean operation must be declared.

8 Bull semen retention, number of straws and its intention of use must be declared.

9 The use of drugs is totally banned as undernoted.

(i) Preparation for Sale. Any drug which would affect weight for age, conformation or growth of hair.

(ii) Presentation for the Sale. Any drug which would affect soundness or temperament at Inspection or Auction Sale.

The use of Aerosol products are banned in the use of coat preparation for all cattle.

10 The Council of Management reserves the right to blood sample any animal presented at Official or Regional Sales, and to have the sample independently analysed at a Certified Laboratory. If any drugs have been used without Veterinary certification having been provided to the Society on the entry, the Exhibitor/Member may be expelled from the society at the discretion of the Council.

ACCEPTANCE OF STOCK: Due to DEFRA regulations the arrival of stock can only be accepted onto the market premises within the time period stated in the sale catalogue. Any alteration will be notified to all vendors, however we request that all arrival times must be strictly adhered to when published in the sale catalogue.
