Foreword

The Clwch herd is one the best Holstein herds in Wales winning many of the herd competitions and reginal shows in recent years has been just some of the impressive achievements of this much admired island herd.

William Williams farms around 450 acres with his two sons, Rhys and Tom, at Clwch Dernog Bach, Llandeusant, on the island of Anglesey where they run their successful herd of 250 Holsteins. The herd operates under three prefixes Clwch, Blaengar and Arbennig Holsteins and due to the successful use of sexed semen heifer numbers have increased to more than the herd now needs.

For the past two year the Clwch Youngstock have been the winners in the North Wales Herd Competition in the Youngstock Section. All the heifers within the herd have been genomically tested for several years allowing the Williams family to sell their very **BEST** in this special event.

William, who established his Clwch herd in 1992 with just 20 cows, won Holstein UK's Master Breeder award in 2019. The herd was judged best in North Wales for four years running and William, who joined the Holstein UK Board in 2020, has added awards at Anglesey Show and Denbigh and Flint Shows.

The management system is predominantly autumn calving and all the young stock are genomic tested. Currently the herd is averaging **9404kg 5.01% butterfat 3.24% protein** produced mainly from grass and grass silage. The classifications speak for themselves with 32 Excellent cows in the herd (including 3 EX94's), 72 Very Goods, 8 Very Good milking heifers and 34 Good Plus heifers in milk.

Since the herd was established Will and his two sons have continually add new cow families to the herd and all of these prolific lines are represented in this special sale. Their most well known family is the Destinys going back to Snow-N Denises Dellia EX95. Progeny from this line have won the BEST COW FAMILY in the herd competition, a standout member is Clwch Matson Destiny EX94-4 SP LP70 5* who was shown successfully had the National Holstein Show in Telford. A super special Luster P sells from this great cow.

Other top cow families include Roxy, Bubble, Queen, Sara, Helen, Kizzy & Laura. The Laura family goes back to an awesome Red & White cow, Shavington Ja Rob Laura Red 2 EX95-6E LP90 9*. A very special Solito Red heifer sells from an EX94 Jotan!

In total 57 heifers sell, comprising 27 In Calf and recently served heifers and 45 bulling and heifer calves. 45 of these heifers are bred from Excellent or Very Good dams with four heifers having an EXCELLENT 94 dam! They are sired by the BEST sires the breed, with daughters of Lambda, Pepper, Davinci, Doc, Soundsystem & Rager Red all selling.

Herd Health

The in calf heifers are vaccinated for IBR BVD and Lepto. The open heifers are vaccinated for Lepto. All the heifers are BVD Tag Tested. The farm is in an annual TB testing area and there has never been TB in the herd. The Island of Anglesey is a low risk TB area.
