MAKE THE MOST OF EVERY BITE.

Bibby's lamb feed ranges are formulated with feed efficiency in mind, containing only quality ingredients to drive growth and optimise feed conversion.

Like the engine of a car, the rumen converts feed into nutrients your lambs need to grow well. High rates of **Actisaf®** ensure this engine is running at its best and help lambs get more from the same amount of feed, resulting in:

- Improved feed conversion by up to **11%**
- Increased average daily gain (ADG) of up to **9%**
- Better quality carcase conformation

Our feeds also contain **EarlyBite** to encourage intakes and promote rumen development for faster finishing and shorter feeding periods.

FOREWORD

We would like to offer everyone an extremely warm welcome to our sale.

We farm as a family at Neuadd-Blaenduhonw in Mid-Wales. The farm runs from 1050ft above sea level to 1550ft. We strive ourselves for being honest genuine breeders, responsibly breeding sheep for future generations. I've been fortunate to be able to of been doing my dream job. I even made business cards when I was 13 years old to be a registered Ram breeder. I particularly enjoy breeding a flock up to be how I think they should be for each breed, whilst finding the families that are consistent breeders which I believe has been the key to our success.

Sadly, after long deliberation we have made the decision to have a major reduction in our pedigree flocks to reduce the workload on the farm. After suffering for many years with a bad back, it has come to the point where my back will not allow me to continue to manage the flocks in the way I believe they should be, so unfortunately the time has come to reduce numbers significantly.

I would like to thank my family who have supported and encouraged me with my pedigree flocks and allowed me to build the flock to where it is today. I would also like to thank all our buyer's past and present and the friends we have made over the many enjoyable years breeding.

I would like to wish the very best of luck with any purchases today and I hope they bring you as much joy and success as they have to us.

Michael James

TEXELS

We started to breed Texels in 2010, with the aim to breed top quality commercial rams with the traits we feel are important. We aim to run our flock ewes as commercially as possible with our priority being their ability to hold flesh off grass, whilst having carcasses, skin, locomotion and finally character being the icing on the cake. I am very proud of the way my flock is today and think the rams we have selected to each ewe will be a perfect match and a fantastic opportunity to get your hands on some of the most successful genetics in the breed. We are selling the entire adult portion of the flock.

Some of our recent successes:

- Sale average 2024 - 2,890gns to a top of 12,000gns

BADGER FACE TEXELS

We started our Badger Face Texel flock in 2020 when we purchased two gimmers and two ewe lambs. And built up to where we are today but feel we have made a big impact on the breed. We are sad to see them go as they are such characters and stunning to look at. We wish the breed and society all the best in the future and have enjoyed our time moving the breed forward. I look forward to watching and keeping in contact with the friends we've made while the breed grows as we feel they have a lot to offer.

Our highlights:

- Royal Welsh show Reserve Champion 2023
- Royal Welsh Show Interbreed Champion Ewe Lamb 2023
- Royal Welsh Show Interbreed Champion Ram Lamb 2022
- Champion & Reserve Carlisle 2022
- Highest price ram 8000gns 2022
- Champion and 1st ram lamb Carlisle 2023
- Highest price ram Carlisle 2024
- Highest price ewe lamb 11,000gns 2022
- The 3 highest priced ram lambs Carlisle 2024 were all sired by Duhonw Rams

What a stylist sheep he is. Great marking with a leg on each corner, big back end and head to die for. We brought him this year at Carlisle and to us he was the standout ram lamb there. I just know he's going to click with our ewes, and I will be looking out for some show winners sired by him next summer.

BLUEFACED LEICESTER

My father purchased our first BFL at Hexham Market in 1979 and they have been here ever since. I have enjoyed the challenge of breeding good crossing Leicester's. It is the thrill of having a good looking and great crossing Leicester that will breed top mules is what has kept my excitement for the breed going. I wish you all the luck with these genetics I have worked tirelessly on over the last 30 years with having no compromise on the mules. I have had many successes over the years, these are just the highlights:

- 3 Hawes Champions and 3 Hawes Reserve Champions
- Top average at Hawes and 2nd top average Hawes twice
- 5 RWAS Champions
- 8 RWAS Reserve Champions
- 2 Carlisle Male Champions
- Carlisle Female Champion January Sale
- Penrith Interbreed Champion Ram
- Overall Mule progeny Champion Penrith and BFL Champion
- 2 Progeny BFL Champion Penrith
- Top prices of 20,000, 12,000, 10,000 and numerous 5,000 to 10,000 over the years
- Duhonw sired rams have topped Kelso at 15,000gns

Giants Causeway S1 - Purchased for 32k at Hawes 2023 in shares with Marriforth, he was our pick of the rams on that day. Hes crossing well and bred very consistently on the Leicester in his first season. Hes a long, lify ram, with great power, skin and style.

Low Tipalt N1 - Purchased for £17,000 at Hawes 2021. He watched him come off the trailer sale morning and fell in love with him. He's full of style, power, great skin and a perfect head. Full of great breeding with Hundith Z4 on mum and dads side, Midlock Mustang on dads side, Oakhouse F1 on mums side and back to W1 Keer. He progeny has not disappointed and bred top mules

Midlock G1 - Brought in shares at Hawes, he's left a tremendous mark on our flock. Sired by Hewgill E1. He bred a Hawes Champion and 2 rams at £20,000, £12,000 and numerous high prices. He was a long lify tup with a great masculine head. He was a breeder!
