TIME WITH TIM – Q & A WITH TIM ABBOTT 12.30PM

Tim Abbott along with his wife Sharyn own Borderview Genetics a beautiful farm in the northern state of Vermont just a few miles from the Canadian border. In recent years Borderview have owned some of the most recognized cows in the world including three World Dairy Expo Champions with Gold Barbara, Goldwyn Blexy and Footloose.

The list of legends that Tim Abbott has owned and developed is impressive Robbrook Goldwyn Cameron was Grand Champion at the Royal Winter Fair in 2011 other All American and high classified cows include; Tri Day Ashlyn, Raineyridge Talent Barbara, Golden Oaks Doorman Locket, Dubeau Dundee Hez and the recent record high seller SSI Doc Have Not 8784.

Tim's knowledge and experience of the genetic business is impressive, having spent 25 years with ABS as a Sire analyst he was instrumental in bringing many important bulls to the market such as Convicer, Lantz, Brett, Machoman, Touchdown & Justy.

Following a period as General Manager of ABS Canada and General Manager of St Jacobs ABC, the Abbotts purchased St Jacobs ABC in 2010. The success they had was unprecedented acquiring bulls such as Dundee, Destry, Aftershock, Crush and many others. In 2016 the Abbotts sold St Jacobs to ABS.

Currently Tim runs a large sales management company focusing on sales with high profile cattle in North America in association with MD-Hillbrook auction company. Last year Tim launched Show Box Sires along with business partner Mike Duckett and they continue to own and develop elite dairy cattle in North America.

AUCTIONEER FOREWORD

Welcome to the first look at Firstlook Sale and to the excitement and energy that a sale of this magnitude exudes. James and Steph Doherty have been involved in the pedigree business for many years, both have excelled in Holstein Young Breeders and have represented the UK in European Competitions on several occasions. They established the Firstlook herd in 2020 following the Knowlesmere dispersal and since then have rapidly developed an exceptional Holstein herd at Ivy House Farm.

I am totally in awe of what James and Steph have achieved in such a short period of time. They have been incredibly generous by offering their very best and I would like to invite everyone to Ivy House Farm on the 15th June to be part of this premier event.

At the top end of the Firstlook consignments is, Firstlook Jackpot Hanx SaltaMaccia. This beauty is sired by Hanx P and is a direct daughter of the winning Winter Milking Yearling at UK Dairy Expo, Firstlook Jackpot Sara. This amazing pedigree has five generations that have been show winners either in the UK, Switzerland or Canada!

Probably the best cow family in Europe for breeding wicked awesome udders must be the Goldwyn Emily line. She has now bred two daughters that have been Champion Udder at Swiss Expo & Expo Bulle. S Bro Doorman Esprit hit the headlines in the 2022 Expo Bulle and her August born Ryder Red daughter sells.

Tom Lomas owner of TLC Genetics has been influential in creating this unique event alongside James and Steph, his passion, enthusiasm and knowledge for elite Holstein genetics is infectious and inspiring. This partnership offers, Firstlook TLC Black Pearl, a perfectly made Davinci from the two times National Holstein Show winner 5Guys Blexy Black Raptor, next dam Goldwyn Blexy EX97!

One of the most exciting young cows at TLC is, Nobold TLC Unix Lynzy VG86 2yr. Her dam is the Reserve All American winning Junior three year old, Idee Doorman Lysa, next dam is the Canadian National Champion, Idee Windbrook Lynzy. A bigtime Lambda sells from this special young Unix.

We welcome the friends of Firstlook to this premier sale and include consignments from the Drointon, Jackpot, Jones, Knowlesmere, Nobold, Riverdane, Sweetpea and Thistlerose herds. The names that are included are in the top echelons of the breed and include amazing opportunities from the Ashlyn, Bambi, Valana, Brittany, Ricki, Sharon, Lynn, Apple, Seisme, Victorie and Diamond families.

Prior to the sale on Saturday 15th there will be an excellent opportunity to spend time with Tim Abbott owner of Borderview Genetics and the recently established ShowBox Sires bull stud. Tim also manages many of the elite dairy sales in North America alongside the MD-Hillbrook auction company. Tim has owned some of the most recent legends in the breed including Blexy, Footloose and the record seller Have Not. This Q&A session will be a rare chance to gain some valuable knowledge from one of the most influential individuals in Holstein history. Please checkout the embryo packages selling from Borderview!

The first look at Firstlook sale has animals from the best families with excellent genetics, they will provide you with unlimited investment opportunities. This unique group has something for everyone and for every budget and for all your aspirational goals.

I along with James, Steph and Tom and all the friends of Firstlook look forward to welcoming you to Ivy House Farm on Saturday 15th June where you will have the opportunity to buy the next total performance individual to create the next generation of Superior sires and cow families.
