GENERAL INFORMATION

CONDITIONS OF SALE: The sale will be held subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Association for England and Wales, and to the Auction Rules and Conditions Sale from respective Breed Societies.

METHOD OF SALE: All payments are to be made in £ pounds sterling. Payment will be due in full at the final bid in respect of the Lot sold plus all associated costs, buyers premium, plus VAT (value added tax) if applicable. (See info below regarding First choice Lots)

Each Lot will be sold in pounds sterling (£) and a buyers' premium of 5.5% (plus VAT) will be added to the bid price.

The following methods of payment are accepted:

- I. Debit card
- II. Business Credit card only but will incur a surcharge of 2%
- III. Direct bank transfer
- IV. No Cash or Cheque

PAYMENT TERMS FOR EMBRYO LOTS: Full payment is required by purchaser on sale day.

PAYMENT TERMS FOR FIRST CHOICE LOTS: Payment of 10% of the purchase price must be made on sale day, and the remaining balance is paid when youngest calf is 3 months old or prior to collection.

COMMISSIONS: The Auctioneers will dutifully execute commissions to purchase for buyers upon receipt of written instructions.

PEDIGREE TRANSFERS: Official transfer of pedigrees will be affected by Auctioneers and the Breed Society as soon as possible after the sale as soon as possible at the Vendors expense.

SETTLEMENT OF STOCK: The Purchaser must be registered with H&H Ltd prior to bidding (pre-registered) and pay for all Lot(s) purchased immediately at the close of sale. No Lot or Lots shall be moved from the the vendors holding until payment has been received.

The liability will remain with the vendor until the purchaser receives the Lot(s), at this point title of the goods will be transferred to them.

The movement/haulage of purchased animal(s) will be agreed between vendor and purchaser.

FOREWORD

It gives me great pleasure, to welcome you to this year's Global Connection sale.

From its inception, Global Connection was created with a clear vision — to connect progressive breeders, dairy farmers and investors with the very best genetics available, and to open those opportunities to the global marketplace through a modern, accessible online platform.

The 2026 sale features an outstanding offering of 55 carefully selected lots:

- 19 Live Heifers
- 25 Embryo Lots
- 3 First Choice Heifer Lots
- 4 Wagyu Lots (including one in-calf Wagyu heifer and 3 embryo packages)
- 4 Expo Wild Card consignments, selected live at UK Dairy Expo

The four Expo Wild Cards add a unique and exciting dimension to this year's sale. They will be selected during UK Dairy Expo, these lots could range from class winners and Junior Champions to potentially even a Grand Champion — offering buyers the opportunity to secure proven show winners with Red Ribbons already attached.

We are also introducing a new sale format this year. Bidding will open on Friday 13th March at noon and will conclude on the Monday following UK Dairy Expo, with the first lot closing at 7pm. This extended format allows buyers time to study pedigrees, inspect cattle at Expo and bid with confidence.

The quality on offer this year is exceptional.

Among the highlights is an Avenger daughter from the current All-Canadian 5-Year-Old winner Glenirvine Unix Sally, fresh from her tremendous success at the Royal Winter Fair in Toronto. Opportunities to access genetics from such a globally recognised cow are rare.

A Sidekick daughter from the renowned Butz-Butler Gold Barbara sells — combining proven show-ring dominance with breed-leading pedigree strength.

Several of the heifers selling will be showcased at UK Dairy Expo, including TLC Tentastic Seychelles, who competes in the September Calf class. This super stylish heifer is a daughter of Mile View Shelly of Helmcrest, the winning Senior 2-Year-Old at World Dairy Expo 2023 — a truly exciting young prospect with tremendous potential.

We are also proud to offer a full sister to the UK's most recent EX97 classified cow and the country's most successful modern-day show cow, Evening Sidekick Jennifer — a pedigree that speaks for itself.

From a genomic standpoint, one of the highest GTPI heifers to sell this year is Laram Pace Houdini, boasting GTPI +3276 and PTAT +1.92. Her dam is an outstanding young cow projected to produce almost 1200kgs of combined butterfat and protein in her second lactation on twice-a-day milking. This truly world-class pedigree features three Global Cows of the Year — depth, performance and elite type combined.

The embryo section is equally powerful, featuring embryos from some of the very best young cows and most influential cow families in the breed. Buyers will find a blend of cutting-edge genomic pedigrees alongside embryos backed by proven show-ring excellence — offering opportunities whether your focus is index, type or the ideal combination of both.

In addition, we are delighted to present a select offering of Wagyu genetics. These lots provide a unique prospect to invest in high-value Wagyu breeding, including an in-calf heifer and carefully selected embryo packages — adding further diversity and global appeal to this special online sale.

I would like to extend my sincere thanks to all our consignors. Your willingness to offer your very best — from elite show prospects to high-genomic leaders and proven cow families — underpins the strength and reputation of Global Connection Sale. The quality and desirability of the cattle and embryos in this catalogue present genuine investment opportunities for buyers at every level.

A sale of this calibre relies on a strong team effort. My thanks go to the entire H&H team who are working tirelessly behind the scenes to deliver a smooth and professional event. We are also extremely grateful to Tom Lomas of TLC Genetics, who has played a vital role in selecting consignments for this year's sale. Tom will be available during UK Dairy Expo to assist potential buyers and discuss the offerings in detail.

During UK Dairy Expo, please join us at the Global Connection Sale Stand, located at the side of the ring, where you can study the catalogue, speak with the team and enjoy some hospitality.

If you have any questions about any lot in the sale, please do not hesitate to contact a member of our team — we are here to help you invest with confidence.

Global Connection continues to build bridges between breeders, dairy businesses and international investors. I look forward to seeing the connections made this year and to another successful sale.

Thanks for milking...

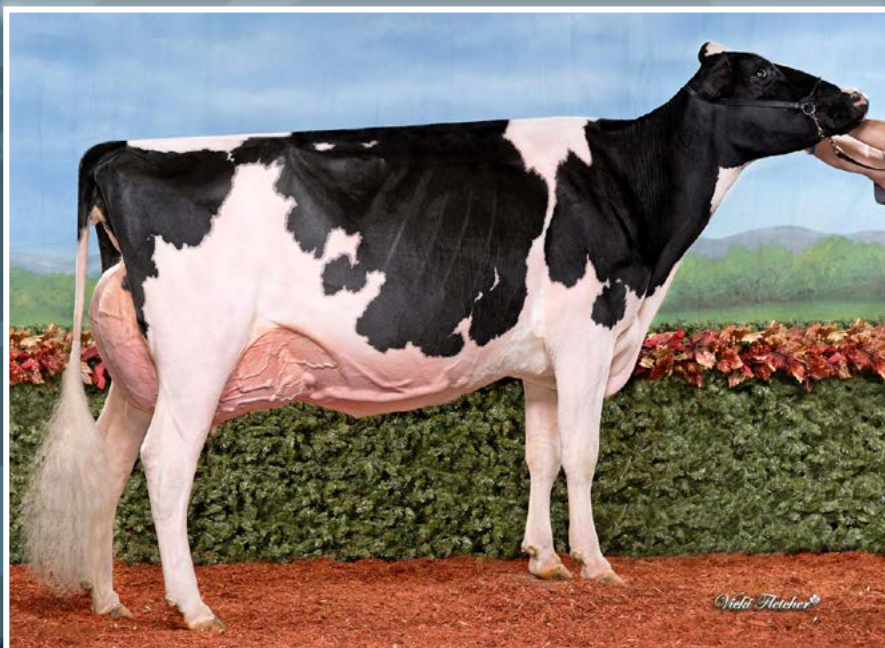

A handwritten signature in black ink that reads "Glyn Lucas". The script is fluid and cursive, with the first letters of "Glyn" and "Lucas" being capitalized and prominent.

The Ogden family are selling embryos in aid of Team Evie, to help other families and give back. Kane, now 10 years old and a keen showman and footballer, was born premature and spent a lot of time in hospital.

Team Evie helps sick children and their families.

The charity offers Portable Libraries, Parent Bags with the necessary items to get through a few days in hospital, staff training equipment, sensory toys & equipment, family rooms, special baby groups, medical & physiotherapy equipment, comfort items, special care baby unit packs and peer support to parents.

Find out more at teamevie.org
