CONDITIONS OF SALE

1. All stock is sold subject to the Conditions of Sale, dated 1984, recommended for use at Markets by the Scottish Institute of Auctioneers' Pay Office. Every vendor, bidder and purchaser shall be deemed to have full knowledge of these conditions and agree to be bound by them. These conditions shall apply to the sale of any pedigree stock save in so far as they conflict with any Special Conditions expressly applicable to the sale of such stock, when the latter Conditions shall prevail.
2. All lots are accepted for sale on the terms that the vendor warrants his right to sell the same and undertakes to indemnify the auctioneers against all actions, proceedings, claims, demands, costs, charges and expenses to which they may be exposed or which they may incur by reason of any defect in the vendor's title.
3. The auctioneers act in all respects only as agents for the vendor and it shall be deemed that no condition or warranty expressed or implied has in any circumstances been given by the auctioneers or any servant of the auctioneers, whether as to title, description, the quality of any lot sold or otherwise. The auctioneers and their servants shall not incur any liability to the purchaser in respect of any defect of title, error of description or imperfection or in respect of any announcement or statement relating to or affecting any lot offered for sale whether made orally or in writing and whether given before, during or after the auction, nor shall they incur any liability in relation to any dispute between any purchaser and vendor.
4. All animals are at the risk of the vendor before sale and at the risk of the purchaser after the sale.
5. Neither the Vendor(s) nor the Auctioneers will be responsible for any accidents or injury to persons or property, through fire or any other cause whatsoever.
6. The auctioneers reserve the right to refuse to accept bids from a vendor and they reserve on behalf of themselves and of the vendor(s) the following rights:
 - (a) to fix a reserve price
 - (b) to bid on behalf of a vendor
 - (c) to re-arrange, consolidate or withdraw any lots or vary the order of sale
 - (d) without giving any reason therefore, to refuse to accept the bids of any person
7. The person making the highest accepted bid shall be the purchaser.
8. No bid shall be retracted.
9. If a dispute arises as to any bidding, then at the discretion of the auctioneers, either:
 - (a) the lot to which the disputed bid relates shall immediately be put up again,
or
 - (b) the auctioneers shall determine the dispute and their decision shall be final and binding on all parties.
10. The purchaser shall, if and when required, give his name and address to the auctioneers, and shall if required, pay to the auctioneers the purchase money for each lot on the fall of the hammer, or so soon thereafter as the auctioneers may require.
11. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference
12. No lot shall be removed from the sale premises until a written delivery order has been given by or on behalf of the auctioneers.
13. Each lot shall, at the purchaser's expense, be removed from the sale premises within a reasonable time after the close of the day's sale.
14. (a) If a purchaser fails to comply with any of the preceding Conditions, the auctioneers may cause the lot in respect of which the failure is made to be re-sold by public or private sale without warranty or reserve and without notice to the purchaser.
(b) If upon re-sale as aforesaid a lower price is obtained for any lot than was obtained on the first sale, the difference in price together with all cost and charges attending the re-sale, shall be a debt due from the purchaser in default at the first sale.
15. All other rules as stipulated in the "Conditions of Entry".

16. All registered sheep entered and forward at any Sale must be inspected to ensure their ear tag numbers tally with the catalogue and that they comply with the Society's breed standard. Shearlings showing more than two broad teeth can be sold but cannot go forward for the show. All four-horned sheep must have wool, hair and/or skin between the top and side horns, even if only a very small amount, to pass the inspection. Rejected sheep will not be sold in the Official Sale. Should there be any slight faults with older sheep that the Inspectors wish to pass, the vendor will be informed and the Auctioneer will announce the fault before the sheep is sold and will be marked with blue tape around the horn. Should the vendor refuse permission for this announcement, the sheep will fail its inspection. The Inspectors' decision will be final. Any sheep that fails the inspection referred to in 16 above shall be excluded from the Official Sale and will be identified with RED TAPE around its right-hand horn. Rejected sheep will not be sold in the official sale.

REGISTRATION FORMS MUST BE AVAILABLE FOR INSPECTION WITH THE ANIMAL PRIOR TO BEING HANDED TO MARKET. SHEEP WILL NOT BE ACCEPTED UNLESS ACCOMPANIED BY THEIR CERTIFICATE TSC ANOTES THAT AN ANIMAL HAS BEEN TESTED CLEAR OF TAY-SACHS.

TAY-SACHS - The Jacob Sheep Society runs a scheme whereby sheep are voluntarily tested for a Tay-Sachs marker gene by LGC Laboratories. Animals which have been DNA tested as Tay Sachs clear, have (TSC) added to their registration numbers. Animals with two (TSC) parents have the annotation (~) added to their registration numbers, indicating that they are 'bred Tay Sachs Clear.

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.

5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
