FOREWORD

Following the dispersal of the Longhouse Jersey milking herd in January this year the decision has been made to completely disperse all the Jersey youngstock. Prior to the milking herd been sold that had been averaging 5961kgs 6.1%bf 4.1%p. They were pedigree Danish Jerseys and had been specially selected on their production and butterfat and protein.

This quality group of pure-bred Jersey heifers are well bred and packed with profitable genetics that all modern dairy producers will appreciate. The heifers selling are sired by River Valley Circus Craze, FDI Barcelona, ST-LO Video, Audibel Jordan & ABS Cheesehead. All of the in calf heifers are due to the Angus with 49 due from October to December, 30 heifers went with the Angus bull six weeks ago. The bulling heifers are attractive with the youngest ten heifers born in January 2022.

Health Status

The heifers are vaccinated for IBR, BVD & Lepto. The herd has been BVD Tag testing and is BVD free. The dams has been Johnes tested and were regarded as low risk. The farm is in a four year TB testing area.

We are confident that these youthful heifers can be high performers in various management systems and we highly recommend them to all modern Jersey producers and indeed to all milk producers. If you would like pictures or videos of the heifers prior to the sale please contact someone from our sales team.

We look forward to welcoming you to Longhouse Farm on Friday 14th October and we know you will appreciate the quality of the animals on offer.

AUCTIONEER'S TERMS & CONDITIONS OF SALE
(Incorporating the Auctioneer's Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
