2. No unregistered rams allowed on Mart Premises on days of Official Registered Sales.
3. All Rams to be allowed one entry only at Official Ram Sales. If any Ram is found to be entered at more than one sale it will be catalogued for the earliest sale at which it is entered.
4. All Aged and Shearling Rams entered for sale must have undergone scrapie genotyping by an organisation approved by the Association and found to be clear of Valene.
5. In the event that the scrapie genotyping result, with which the ram was sold, proves incorrect for whatever reason, the Association accepts no liability whatsoever in contract, or negligence or otherwise for any loss, damage, costs or expenses of any nature whatsoever incurred or suffered by the buyer including of an indirect or consequential nature, including without limitation economic loss, or the loss of turnover, profits, business or goodwill.
6. In the event of any ram being sold with a genotyping result which is proven to be incorrect by a certificate issued by a Veterinary Investigation Centre, the Vendor shall refund to the Purchaser the full purchase price without deductions. In the event of such a refund, the title of the ram shall again vest in the breeder. If any discount is given by the Vendor to the Purchaser, at the time of purchase, this must be refunded.
7. The Association does not guarantee the stock getting capability of any Ram offered for sale. Individual members can undertake to guarantee the stock getting capability of their rams, but having done so, any matter of dispute which may arise shall be resolved between such vendor and purchaser. The Association and the Auction Mart assumes no responsibility whatsoever.

12. In the event of any Shearling Ram sold by the Breeder developing "scrapie" within one year of purchase then the Vendor will refund to the Purchaser the full price (without deductions) provided that the disease is confirmed by a certificate issued by a veterinary investigation centre and the Vendor if given seven days notice of such condition prior to slaughter or disposal of the carcase to enable an inspection to be made. In the event of such a refund then the title of the ram shall again vest in the Breeder. If any discount is given by the vendor to the purchaser at the time of purchase this must be refunded. If the Shearling Ram was purchased as a Ram Lamb, then the vendor of the Shearling in question is entitled to claim the Ram Lamb purchased price from the vendor of the lamb.

Kevin Alderson

farm animal and wildlife portrait artist

My name is Kevin Alderson-Smith. I grew up on our family farm in Mallerstang near Kirkby Stephen, Cumbria. I have always had a keen interest in farming and the countryside and spent many years dry stone walling and helping on our family farm. I had a spell in hospital as a teenager and to relieve the boredom I had a go at drawing. I discovered that I really enjoyed it and had a natural flair for it. Over the years I have improved my artistic style using various mediums. I have a real passion for drawing animals and all types of wildlife, in particular sheep and dogs. Last year I had another spell in hospital and once again took up art to fill my time. I am now living in Northamptonshire (The Midlands) with my wife Nat, son George and our Wire Haired Dachshund (Teckel) Margo.
