Welcome

Welcome to the Society's 50th anniversary Textravaganza National Texel Show. This day promises to be a remarkable celebration of the Texel breed, showcasing the incredible achievements made by Texel breeders since the breed's initial importations half a century ago.

Today's show is just one of many events being held across the UK to commemorate the Society's milestone year. It presents an exceptional opportunity for everyone connected to the Texel breed to come together and celebrate the remarkable qualities of our breed.

Thanks to the dedication of breeders and the continuing improvements being made, including the recent introductions of economic indexes and genomic evaluations by the Society, the breed continues to enjoy unrivalled success.

Commercial breeders continue to place their trust in the breed, recognising its ability to enhance the value of its progeny across a wide array of environments and farming systems throughout the UK.

There is, rightly, much to celebrate and be proud of as the Society marks this remarkable point in its history and demand from new breeders remains strong as new flocks continue to be established across the country. With the Society expecting to issue its 10,000th flock membership in this milestone year.

Moreover, there is a growing international demand for British Texel genetics, and it is truly gratifying to welcome international visitors to this event, mixing with like-minded Texel breeders showcasing the depth and quality of the breed here in the UK.

Of course, today's event wouldn't be possible without the support of the sponsors, and I extend my heartfelt thanks to them for their invaluable contribution and unwavering support of the Society.

I wish all exhibitors every success today and throughout this autumn's sale season. I eagerly anticipate seeing what I am sure will be some excellent sheep in every class.

NOTE TO EXHIBITORS

Members and all those handling sheep are reminded of the need to act responsibly and with animal welfare in mind whenever handling sheep.

With many Society events now being streamed live or filmed for later publication, it is important that Society members take care to ensure they present a responsible and ethical image of the sheep industry at all times.

THE NATIONAL ‘TEXTRAVAGANZA’ TEXEL SHOW RULES

The show operates under the Society auspices.
Conditions of show entry are available on the Society website.

Members are specifically reminded of Byelaw 11.6

No dressing, trimming, clipping of the fleeces, or eye lashes of sheep will be permitted. *No artificial whitening on any part of the sheep is permitted. An inspector may be present at the sale or show, they have the authority to disqualify any sheep, which in their opinion, are below a minimum standard with regard to breed type or are found to be contravening the Society Byelaws, right up to the point of sale. The decision of the inspector shall be final and failure to accept the inspector’s decision will result in the entire consignment being rejected.*

A maximum of two entries per membership are allowed in each show class.

Sheep may only be shown in one class (other than the group of three and YDP Young Handlers Classes).

It is compulsory to wear the correct competitor number for the class and white show coats, buttoned at all times, while in the show ring. A society tie is also recommended.

Sheep must have been birth notified, registered, or transferred into the flock exhibiting, prior to the day of the event.

Class	Rules
Aged Ewe	Must have nursed a lamb(s) in 2024.
Open Shearling Ewe	Flocks showing in YDP Shearling Ewe cannot show in the Open Shearling Ewe.
texelplus Ram Lamb	Entries must be recorded and produced in the flock of a current texelplus member.
YDP Shearling Ewe	Eligible for entry by members aged 30 and under with a flock registered in their name and shown by the flock owner.
Open Ram Lamb	Flocks showing in YDP Ram Lamb cannot show in the Open Ram Lamb Class.
YDP Ram Lamb	Eligible for entry by members aged 30 and under with a flock registered in their name and shown by the flock owner.
Group of Three	Two females and one male previously shown.
YDP Young Handlers	Any young handler within the age ranges of the class can show any sheep, from any class, previously shown.

The Texel Sheep Society provides data collection and performance reporting services to its membership. From 2024, the service and evaluation combines pedigree and genomic data to provide indexes that are simple to use and understand.

In simple terms: **higher value = more profit per lamb**

The texelplus economic indexes support the breed's development with an increased focus on commercial traits and profitability. The **TERMINAL** and **REPLACEMENT INDEXES** reflect the breed's influence on industry. Both are presented as the potential extra profit per lamb born in a commercial setting, compared to the population baseline.

Index	Average	Top 25%	Top 10%	Top 5%	Top 1%
Terminal Expected change in profit per terminal lamb born	£3.75	£5.01	£6.14	£6.82	£8.10
Replacement Expected change in profit per replacement lamb born	£4.26	£5.64	£6.88	£7.62	£9.01

The **TERMINAL INDEX** supports increased profitability through improving prime lambs and is weighted strongly for meat production. The **REPLACEMENT INDEX** includes additional maternal traits to optimise production of female replacements.

Commercial producers solely producing prime lambs should use the **TERMINAL INDEX** to inform their selection; however, those retaining female replacements should use the **REPLACEMENT INDEX**.

Sub-indexes underpin the indexes to provide more information on the relative values and ranking of animals for growth, fat and muscle weight, and reproduction.

An example

High ranking rams deliver over £4.50 per lamb more than lower-ranking rams. Over a ram's working lifetime, this is easily worth an extra £690 per ram; generated through shorter finish times and improved carcass quality.

Better together

British farmers raise sheep to the highest welfare, sustainability and environmental standards. Yet we know that you face challenges like never before.

As a farmer co-operative, British Wool collects, grades and markets wool on behalf of our farmer members. We promote the benefits of wool and develop new markets for this incredible natural resource. Everything we do is about adding value to British wool to maximise value for you, our farmers, to enable you to continue doing what you do best – producing high quality, sustainable fibre that customers can rely on.

JUDGES' PROFILES

Male Classes Jennifer Aiken - Coniston flock

Jennifer has been around Texels all her life, initially with the Douganhill flock, managed by her father Brian MacTaggart and latterly with both her own Coniston flock and working alongside her husband, Jeff, managing the Procters and Tatham Hall flocks until their dispersal.

Show and sale highlights include a number of breed and interbreed championship wins at shows including the Royal Highland, Great Yorkshire and Royal Welsh, as well as selling to a high of 80,000gns for Procters El Presidente and 10,000gns for Coniston Equinox.

Having shown at events the length and breadth of the UK and previously judged both local shows and the Texel classes at Balmoral Show, Jennifer brings with her a wealth of experience to Textravaganza.

Jennifer says it is a huge honour to have been asked to judge the 50th anniversary national show and an opportunity she is relishing the prospect of.

Female Classes Robert Cockburn - Knap Flock

The Knap flock was established in 2006, with Robert's first major success coming in 2014 with the sale of Knap Vicious Sid for 145,000gns.

Further success has followed since, with the flock's influence extending through both males and females. 2023 saw Robert achieve his greatest sale success to date, selling Knap Grumpy at 170,000gns and Knap General Lee at 100,000gns, with a gimmer also selling for 28,000gns.

In the show ring, undoubtedly Robert's proudest moment was winning the inaugural Textravaganza National show in 2021 with Knap Daisy Duke.

Previously Robert has had the privilege of judging the Balmoral Show and the Royal Welsh Show and is very much looking forward to judging the second Textravaganza National Show at Carlisle.

YDP Young Handlers' Classes Lowri Williams - Caron flock

A passionate young breeder, Lowri helps manage her family's Caron flock which has achieved great success in recent years, including setting a new 32,000gns centre record for a shearling ram at the English National Sale in 2021.

A keen participant at local shows, Lowri has also judged a number of local shows in recent years as well as judging the YDP young handlers' classes at the Royal Welsh Show in 2019.

Having participated in Society YDP events, Lowri says the opportunity to give something back to younger members by judging the Textravaganza young handlers' classes is something she's looking forward to.

YDP YOUNG HANDLERS' CLASSES

Any young handler within the age ranges of the class can show any sheep, from any class, previously shown.

Children should only handle animals which they have the necessary strength and experience to cope with. A responsible adult can accompany the animal up to the judging ring and can remain ringside in a supervisory capacity, but must not play any part in the showing of the animal.

Please register for these classes at the event office at the front of the hall if you have not entered online.

All entries will need to collect their letter badge before competing.

HEALTH AND SAFETY RULES HARRISON & HETHERINGTON LIMITED NOTICE TO ALL VISITORS AND TRADERS PLEASE READ AND OBSERVE THE FOLLOWING

All visitors and traders on site will be responsible for ensuring that they and their employees or sub-contractors engaged by them comply with all legal requirements, including the Health and Safety At Work etc., Act 1974, The Management of Health and Safety At Work Regulations, The Provision And Use of Work Equipment Regulations, etc.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

Passageways must be kept clear at all times during the auction sale. PLEASE DO NOT STAND IN THE SALE RING ENTRANCE AND EXIT PASSAGES.

The auction ring man escapes and refuges must be kept clear at all times.

All portable electrical equipment supplied and/or used by visitors and traders must be safe and fit for the purpose and should have a valid portable appliance test certificate.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us. We may share the information with other members of our group and may make this information available to relevant media groups and other interested parties on request. We and other members of the group may contact you by telephone, e-mail, post or fax to inform you of products or services available. If you do not want to be contacted for marketing purposes or do not wish your information to be made available to any other parties please notify us in writing.

WIN AN ELECTRONIC LAMB WEIGHER WORTH MORE THAN £1000

'In any industry there are developments that irrevocably alter the entire landscape of an industry. The introduction and evolution of the Texel breed in UK farming is one such development and it has been proven to have transformed standards.'

What Texel breeders, under the stewardship of the Society, have achieved since the Society's formation some 50 years ago is nothing short of revolutionary. Society members continue to invest heavily in the breed, both in genetics, but also, via the Society in the latest data driven technologies to keep the breed moving forwards.

As a result of this, the breed remains best placed in the UK sheep industry to take on the latest developments and harness the power of data and genetics to move forwards.

With this in mind, the Society has rolled out Texel specific genomic indexes via its genetic improvement service, texelplus, enhancing the benefits available to commercial sheep farmers from using Texels.
