CONDITIONS OF SALE

All stock will be sold subject to the Auctioneers General Conditions of Sale, printed in this catalogue. Sheep will be sold subject to the Conditions of Sale for Breeding Sheep as approved by the Livestock Auctioneers Association. Cattle will be sold subject to the Special Terms and Conditions of Sale recommended by the National Cattle Breeders Association. No animal may be sold privately prior to the sale but must pass through the sale ring. The sale of substitute animals is NOT PERMITTED.

Animals which fail to reach the 'reserve price' may be sold by private treaty after the auction. Full commission will be charged on all such transactions which MUST BE conducted through the auctioneer.

SETTLEMENT: Settlement in full for stock purchased is due to the auctioneers immediately at the close of sale. Prospective purchasers, who are not known to the auctioneer, are asked to provide details of their ability to pay before bidding.

CLEARANCE OF STOCK: No animal shall be removed from the sale premises without an official PASS obtainable only from the auctioneers upon settlement or application, and such pass MUST be presented to the auctioneers before loading.

Neither the Rare Breeds Survival Trust nor the auctioneer accepts responsibility for stock after it has passed through the auction ring. Whilst the auctioneers will endeavour to assist in the correct trucking of sold animals, purchasers are reminded that all risks in respect of such animals pass to them at the fall of the hammer. Purchasers are entirely responsible for any costs or expenses which may arise due to the wrongful or incorrect locating, trucking or removal of stock, and they shall be liable for all costs of returning such stock to its proper destination.

All livestock entries must be identifiable by ear tag, brand or tattoo which must correspond with the catalogue entry. Any animal not so identifiable will be REJECTED from the sale. **Under no circumstances will substitute animals be allowed into the sale.**

INSPECTION: All entries will be inspected for general health, soundness and freedom from defects. Certain breed societies may appoint officials to inspect entries for breed type and/or genetic or other defects or deformities. In all cases the right is reserved to reject any animal which does not conform to the accepted standards and the decision of the Inspector(s) is final. Animals so rejected must be removed from the sale area forthwith, at the vendor's expense and will not be permitted to be sold.

BUYERS PREMIUM: A buyer's premium of 5% plus VAT will be added to the purchaser's account.

COMMISSION: Cattle, sheep and pigs will be sold in pounds and the auctioneers will charge a commission of 5% on the sale price realised.

In the event of any animal(s) failing to reach the minimum Selling Price, Upset Price or Reserve Price (if any) fixed by the vendor, half commission will be charged on the said price.

This sale is licensed and authorised by the appropriate local authority and by DEFRA and will be organised and conducted strictly in accordance with the regulations and special requirements of those bodies.

All stock is to be removed from the sale premises on the day of sale, unless prior arrangement is made with the auctioneers.

A limited amount of straw bedding will be provided by the auctioneers free of charge. Additional straw may be purchased, if required. All vendors must provide their own feedstuffs and drinking utensils.

- **Females Udder etc** – Must be sound unless declared otherwise at shows or sales.

SHETLAND SHEEP

SHETLAND SHEEP SOCIETY PEDIGREE SHEEP SHOW AND SALE CONDITIONS

PRE-SALE INSPECTIONS

1. All Vendors will be deemed to agree with these conditions of entry upon signature of the official entry form
2. All livestock entries must be identifiable by ear tag, adhering to current DEFRA regulations, which must correspond with the catalogue entry. Any animal not so identifiable will be REJECTED from the sale. Under no circumstances will substitute animals be allowed into the Show & Sale.
3. ALL SHEEP MUST BE INSPECTED PRIOR TO SHOW OR SALE. Any animal not inspected prior to show or sale will NOT be eligible to enter the show or be sold through the sale ring.

INSPECTIONS

4. ALL sheep will be inspected by two qualified Shetland Sheep Society inspectors. The sheep will be inspected against the following points Testicles/Udder, Teeth (all teeth must be under the pad at time of inspection), Tail, Fleece, Conformation, and Horns if applicable. (Horns may be deemed a fault in the event that they are, or may become a welfare issue).
5. The vendor/owner should be present at the inspection and has the right to dispute any decision made by the inspectors. Any vendor/owner wishing to dispute a decision on an inspection must do it right away. In the event of a dispute a third inspector will be brought in and their decision will be final.
6. Adult sheep inspection pass: An orange-coloured card will be issued stating the sheep's ear tag number and sale lot number. The sheep will be eligible for the show and sale.
7. Adult sheep inspection fail: If an adult sheep has a failure against one or more of the inspection points a white card will be issued stating the sheep's ear tag number, sale lot number and point(s) the sheep has failed. This sheep will be eligible for the sale only.
8. Lamb pass: Same as condition 7 above
9. Monitored Lamb: Lambs that have not passed the inspection will be classed as 'lambs to monitor' and issued with a lilac-coloured card. The card will state the lambs ear tag number, sale lot number and point(s) requiring to be monitored as the lamb matures. This sheep will be eligible for the sale only.
10. If a sheep is deemed to have genetic defects or deformities this animal will be rejected by the Shetland Sheep society and will not be sold within the Shetland Sheep Society pedigree sale. Borderway Auction Mart will sell any rejected sheep under normal mart conditions outside of the Society sale.

SHOW

11. Only sheep that have an orange-coloured card are eligible to enter any of the show classes. The vendor/owner must produce the orange-coloured card for their sheep before entering the show ring.
12. Showing to be restricted to 2 sheep per vendor/owner per class.
13. Vendors/owners wishing to show must arrive at the auction mart at least 2hrs prior to show time to allow for inspections to be completed. A sheep is not eligible to enter the Show unless it has been inspected.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
