FOREWORD

The Newbould family have been farming at Small Rigg Farm near the village of Lochmaben for the past 35 years following a move north from the county of Lancashire. Recently, the farm has been sold to a neighbouring dairy resulting in this fine herd being offered for sale at Borderway on Wednesday 23rd April.

Approximately 10 years ago the decision was taken to introduce Montbeliarde sires to the high yielding Holstein herd at Small Rigg. A decade later and this change in direction has resulted in one of the FINEST herds in the UK, one that excels in Production, Conformation and Profitability. This highly efficient herd is currently averaging 10103kgs 4.02% bf 3.36% p cc125 on a robot milking system with an average DIM of 150. At the latest recording the herd was averaging 35.6kgs.

The herd comprises 46 heifers in milk, 33 second calvers, 21 third calvers & 23 cows with four or more calvings. The milking heifers are sired by Ilax and the cows are sired by Navajo, Nagui & Nirvanaur. 28 are freshly calved in 2025 with 15 due soon and 36 are due in the summer mainly to the British Blue.

The herd is fed on a full TMR comprised of high quality forage with top dressing fed via the robots at milking time. They are cubicle trained and are excellent cows that will perform at the highest level in any modern dairy system.

One of the BIG ATTRACTIONS in this sale are the youngstock, they are well grown and display enormous potential. 21 In Calf heifers sell due to top AI sexed sires followed by 32 bulling heifers & 23 heifer calves. These heifers are sired by the BEST Montbeliarde sires including Rousillion, Redrock, Odyo & Savino

Health Status

The herd is vaccinated for IBR & Rota Virus. All the animals are BVD Tag tested and the herd is free. The herd has been Johnes tested for several years and is regarded as low risk. The farm is situated in a four year TB testing area and there has never been a case on the farm.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
