## **Notice to Vendors and Purchasers Scottish BVD Eradication**

It is the responsibility of each Vendor to ensure that Vendor declarations in relation to the Bovine Viral Diarrhoea ("BVD") status of all animals provided to Auctioneers are accurate declarations and so far as the Vendor is aware are not misleading as at the date of sale.

However, Purchasers should be aware that an accurate Vendor declaration cannot absolutely guarantee that any animal or progeny from any animal is free from BVD or is not a persistently infected ("PI") animal. Auctioneers cannot accept any responsibility for the accuracy or reliability of any Vendor declarations and no warranties or guarantees whatsoever are given by the Auctioneers in relation to such Vendor declarations or in relation to the BVD or PI status of any animal.

All calving cows and heifers are guaranteed in calf unless otherwise stated at time of sale. Claims must be intimated within 49 days from the date of sale and be accompanied by a Veterinary Surgeon's certificate stating ear number of animal and the defaulting party will be responsible for all expenses incurred. Cows and Heifers with calves at foot are to be free of calf at time of sale unless otherwise declared.

### **SALE CONDITIONS**

- Sold under the conditions of sale as displayed in the mart recommended by the Institute of Auctioneers and Appraisers in Scotland.
- All heifers offered for sale through this ring are not warranted as breeders unless otherwise stated
- All Sucklers must be declared at the time of sale
- Please ensure all paperwork is handed into the office at least 1 hour before the animals enter the sale ring
- All cattle must be double tagged with Ministry approved tags and information supplied on the respective entry forms
- Payment will only be made to the exhibitor.
- No lots can leave the market without a pass slip being issued by the main office
- All un-entered cattle and those missing their turn in the ballot will be offered for sale at the end of the catalogued entries
- All purchasers have two working days from the time of sale to satisfy themselves that all documentation received is correct and any discrepancies must be notified to the auctioneers within the time limit
- It is the responsibility of the buyer to ensure that any animals destined for the food chain are out with any withdrawal period. This includes antibiotics and anthelmintics that the seller may have given prior to sale
