The Birness Flock was established in 1978 and from the outset emphasis has been aimed at producing quality stock for the pedigree and commercial market.

We have built up the flock without any use of Embryo Technology and run 170 pure breeding ewes at Birness. The flock has had some success over the years with rams selling to fellow breeders, including 43,000gn Muzza, 30,000gn Bees Knees, 30,000gn Play Boy, 26,000gn Freedom plus many more. Birness gimmers also peaked twice at 9000gns.

They are a selection of gimmers which would have been joining our own breeding flock so it gives you a great opportunity to purchase some of our genetics.
