# Kevin Alderson

## farm animal and wildlife portrait artist

My name is Kevin Alderson-Smith. I grew up on our family farm in Mallerstang near Kirkby Stephen, Cumbria. I have always had a keen interest in farming and the countryside and spent many years dry stone walling and helping on our family farm. I had a spell in hospital as a teenager and to relieve the boredom I had a go at drawing. I discovered that I really enjoyed it and had a natural flair for it. Over the years I have improved my artistic style using various mediums. I have a real passion for drawing animals and all types of wildlife, in particular sheep and dogs. Last year I had another spell in hospital and once again took up art to fill my time. I am now living in Northamptonshire (The Midlands) with my wife Nat, son George and our Wire Haired Dachshund (Teckel) Margo.
