The Oakbridge flock was established in 1992, over the last 30 years we have placed great emphasis on breeding sheep, that are correct on their legs with great bodies, tight skins and plenty of character. 2023 has been a very successful year so far with ram lambs topping at 16,000gns and many more making four figures.

Our flock is scrapie monitored and also on the Heptavac-P program and as always all our females are vaccinated for Enzo & Toxo.

We would like to thank all our customers for their continued support and wish everyone a successful lambing season 2024.

All Sheep sold guaranteed ARR/ARR and insured for 3 months as luck.

We would like to thank The Three Nations team for inviting us into the Sale.

Dam was purchased for 8000gns from the Howgill Foot flock at the 3 Nations Sale 2021.

The Howgillfoot flock was established in 2014 with females from Lakeview, Limestone, Rhaeadr and Ballycannon flock. In 2018 Gary Beacom gave us the opportunity to purchase a number of females from his best bloodlines and we continued to add top quality females to the flock.

We have enjoyed much success in selling our females to many top flocks and are delighted to see our males going on and doing well, having bred two Highland show champions and going on and breeding tups to 30,000gns. We were delighted to sell our 18,000gns gimmer to the Sportmans flock and thrilled to see it go on and win interbreed champion at the Great Yorkshire show.

We are grateful to everyone who has purchased and bid for our stock over the year and also to the three nations for inviting us to take part, many thanks Howgillfoot team

The Lakeview flock was purchased from Gary Beacom in 2018 after having achieved great success over the years winning the RUAS many times. After the purchase in 2018 we decided to compete at the RHS 2019 and went on to win all female classes as well as winning Overall Champion, something that has only ever been achieved once before. We returned in 2022 to win Overall Male Champion and Reserve Overall Champion.

We have sold rams to 52,000gns, 40,000gns, 26,000gns and 15,000gns with females selling to 6000gns, 5000gns and 3800gns. With the best of genetics, we aim to produce great character, body, skins and confirmation.

The Middlemuir Flock was established in 1985 with the purchase of females from the Glenista and Fyvie flocks, the emphasis has always been on producing great carcass animals first and foremost with good skins, great colours and power. Over the years, additions to the flock include purchases from varying flocks with the most influential females purchased from the Fordafourie and Conveth flocks as well as more recent purchases from Frongoy and Howgillfoot. We have always strived to buy the best rams we can, notably, Cairness Masterclass, Cairness Muskateer, Rhaeadr Rolex, Forkins Dizzee Rascal, Cairness Glenmorangie, Salopian Zoolander and Frongoy Explosion.

The flock has been successful in the National Flock Competition, winning the John Long Cup on 3 separate occasions and Reserve Champion Flock in the National Flock Competition 2011. In the North East of Scotland we have also achieved champion flock on a number of occasions. Indeed, the gimmers we have brought for sale are all members of the team that won the best ewe lambs in the North East of Scotland Flock Competition 2022. We would like to thank those involved in allowing us to join this sale, we have chosen gimmers we know will meet the standard for this 10th Anniversary of the sale.
