All ram lambs sold to average £1313 with the highlights being the top priced lamb at Kelso, selling to £3600 and breaking the ram lamb price record twice at our local market Ayr at £1400. He is a big lad and very correct in every way. He has bred both breeders and commercial lambs with great size, length, strength, colours and carcase. He has been used extensively again this year.

The Howgill Foot flock was established in 2014 with females from Lakeview, Limestone, Rhaeadr and Ballynacannon flock. In 2018 Gary Beacom gave us the opportunity to purchase a number of females from his best bloodlines and we continue to add further top quality females to the flock.

We are delighted to be invited to offer some of our stock for sale at the Three Nations this year and look forward to catching up with everyone.

Dam has bred lambs to 15,000gns and 13,000gns. Sire sold for 60,000gns.

The Pyeston flock was established in 2003 with the purchase of two gimmers from the Collessie flock. Over the years females have been added from some of the leading flocks within the breed but the emphasis has always been on using homebred females as the backbone of our breeding programme.

2022 has seen the flock securing some success at local shows and The Highland show with our lead gimmer securing Reserve Interbreed at Fife Show back in May then our show ewe (pictured below) securing 1st prize Aged Ewe then Reserve Female at The Highland in June. Two of her sons then went on to sell for 38,000gns & 32,000gns at Lanark in July, both sired by our main service sire Limestone Marksman who was purchased for 48,000 last year along with Birness, Claycrop & Collessie.

The Myddle flock was established in 2016 with the initial purchase of six in-lamb ewes from Frongoy.

Right from the start a clear vision existed, to develop strong foundations on which a breeding flock of merit, could be built. Emphasis was placed on acquiring selected females from proven breeding lines. Breed character and strength throughout were priorities, whilst commercial traits were never compromised.

Further additions came from Burnview, Lakeview, Ballynacannon & Knockem amongst others. Mainly mature ewes that had established progeny within these flocks.

More recently gimmers purchased from Burnview, Shannagh, Castleisle & Strathbogie have helped accelerate the progress of the flock.

We are delighted and honoured to be invited back to present some of our stock for sale at "The Three Nations" and thank everybody involved for including us.

We have achieved some notable sales in the last couple of years and are not afraid to sell "a good one", recognising that satisfied customers are our future! The next generation of lambs coming through gives us confidence, and we are excited by what that future may hold! It remains to thank all bidders & buyers for your support and wish purchasers the very best of luck with their purchases.

All sheep can be viewed prior to the sale on farm with arrangement.

#FeedingForSuccess

The Claycrop flock was established in 2004 with a handful of in lamb ewes purchased from the Cairness and Santon flocks. Since then some bought in genetics from some of the top flocks as well as a focus on keeping only the best home bred females has led to success both in sale and show rings, most notably winning champion Suffolk at The Royal Highland Show in 2016.

We would like to take this opportunity to thank The Three Nations team for their invitation to sell at this sale.

All enquiries are welcome- contact James on 07730 564 874 or get us on Facebook at 'Claycrop Suffolks'
