The advertisement features a hand holding a smartphone displaying the MartEye app interface. The app shows a list of sheep for sale, including a section for 'Harrison and Hetherington'. Below the phone, there are two business cards for 'Johns Angus Sales' and 'Johns Cattle Sales'. The background is a dark blue gradient with a subtle pattern of sheep silhouettes.

FOREWORD

We would like to extend a warm welcome to you all, to the major reduction of the Cleenagh flock ewes, gimmers, lambs and recipis from the harvest flushing season.

Since the formation of the flock almost twelve years ago we have tried to bring structurally sound, easy fleshed sheep, with carcase with good tight skin. In each of the three breeds we indulged into I hope you agree our purchasing and breeding have been symmetrical.

We are deeply grateful and indebted to everyone for the help. Along the way if that was to teach us how to trim show sheep, or sponge sheep. Thank you for bringing us to this point today. We really were and probably still are novices in the industry. We are always grateful especially for the customers and in particular the repeat custom we receive through the years.

Although this is not a dispersal sale, we welcome everyone to visit our farm, not just what's being offered for sale but also what we are keeping. The idea of this sale is to majorly reduce the flock.

The foundation ewes in the Blues and Badger Face Texel are now pushing towards six years old and we won't put them through a overseas journey with a pregnancy onboard. We have Bambino, Bikini Babe and Bubblegum hopefully all in lamb fit and healthy to show our sincerity towards reducing these can be purchased privately. In Bager Face Texel we have T-85 who I'm sure would have drawn interest however after incurring some health problems our flushing vet has advised us on retiring her. She has been deemed as unfit flush and breed. The foundation ewes in the Dutch Spotted sheep are in their prime and will be offered at the event.

Cleenagh has no frozen embryos in storage so what you see born from each ewe on sale day will be the end of progeny from that ewe unless announced at sale time. All scanning results will be clearly displayed at time of sale.

Any lambs slaughtered or sold privately without papers have not been recorded in the society database. All lambs born late March/April have been withdrawn from this sale. Cleenagh has never sold an inlamb sheep to have to do a C-Section, so I hope you can buy from our well established flock with confidence.

BADGER FACE TEXEL

Founded in 2016 with the importation of four females and Dustin. Cleenagh Badger Face Texel's are the longest running in Ireland and the second longest running within the UK boundary

Cleenagh has always been extremely passionate about sire selection. We believe when using the correct tup we are genetic building for the future, and that's exactly what we have done in the last seven years. For the last two years Cleenagh has purchased the male champion from the Bager Faced Texel premier sale in Carlisle. £8000 for Duhonw Ding Dong and £7000 for Brougher Cruiser.

The input of Duhonw Ding Dong has really put a beautiful elegance towards his progeny, the first lambs born this year have been a joy to watch grow. We take this one step forward and share the potential success of Brougher Cruiser with our customers at this sale today. Many inlamb ewes and recips are carrying pregnancies to our new bloodline who we purchased in partnership.

The purchase of these exciting new sires follows the massive success of Cleenagh Bodybuilder, who will be really hard to topple. This year not only did Bodybuilder sire the RUAS Champion but also sired the GYS Champion, followed by his daughter Duhonw Elegance winning the Interbreed Ewe Lamb at the RWAS. This was all before Bodybuilder sired two of the top price females at the Carlisle Premier sale in August with Cleenagh Daytona for 3200gns selling to the Woodies Flock, with the Female Reserve Champion Bony & Bold Emerald Fire exhibited by Tara O'Brien selling for 3000gns. This was achieved also with Cleenagh Tamtain for 3000gns.

The sale offers the best genetics from our medium sized flock which is the longest established flock in the society flock book.

Reference to Sires:
Brougher Cruiser

Male Champion Carlisle Premier 2023. The first two offspring selling for 2600gns and 1700gns both as lambs. A tremendous square ram with correctness and great lift. Sold in August for the day's highest price of 7000gns shared with Matthew Burleigh and Andrew McCutcheon.

Duhonw Ding Dong

Male Champion Carlisle Badger Face premier sale 2022. His first female's offspring being offered at this sale today with his full brother having sired to 7500gns for the Knockmult Flock. His dam Beeswax was The RWAS 2023 supreme champion with her Body Builder daughter winning Reserve Badger Face Texel Champion, before winning the Interbreed ewe lamb, shared ownership with the Duhonw Flock.

Cleenagh Makavelli

Purchased in Holland in October 2021 to add new bloodlines into our flock. First daughter sold in August this year at Carlisle selling to the Tamtain Flock for 3000gns. With over 50 offspring born to him over the last two years at Cleenagh he's never sired a black lamb. Proving to be a fantastic cross on the Body Builder daughters.

BLUE TEXEL

Formed in 2012 with an importation from the Netherlands, the following year we travelled to Carlisle to purchase from both the Beili Blue and Millside flock to which we can still relate to today in our flock.

The photo above was the first NI Blue Texel society sale which took place in 2015 in Dungannon Farmers Mart. The interest from the public was immense, with Cleenagh selling twelve sheep of the day above four figures.

Cleenagh Blue Texels have always took great pride in watching our sheep go on to reach great success in their new homes. We offer this first individual production sale to the public in almost twelve years of breeding.

We are extremely positive about the purchase of our new stock ram Johnstown Hercules who won All Ireland Male Champion in Gurteen Co Tipperary in June this year.

All Blue Texels are in lamb to Hercules, our intention is in bring him to the sale to show what the pregnancies are in lamb to.

Reference to Sires:**Cleenagh Extremist**

A real powerhouse, breeding smart sheep with great carcase, length and skin. Extremist progeny have sold to £4800. He sired the 2022 Balmoral Blue Texel Champion.

Corra Fandabadosey

One of the most characteristic rams we have ever bred with. He is by a Cleenagh grandmother, we purchased him privately very soon after we first seen him as a young ram lamb.

Johnstown Hercules

Blue Texel All-Ireland Male Champion for 2023. Purchase from the Donohoe family in Mullingar privately. Purchased for his style and lift. Tremendous bone and strength all the way through this young ram.

Maternal sister to Cleenagh Extremist. Cleenagh Bikini Babe (dam) is a full sister to Cleenagh Bruno who is sire of Drumard Ed. Everything you would expect from a pedigree of this calibre.

DUTCH SPOTTED

Founded in 2021 with the purchase of Kilroot and Sunnybank genetics, the flock went on to flourish the following year.

Sunnybank Import 2123 was the dam of Cleenagh French Kiss who sold to David Power and Nigel Hogan for £3200, with her full brother Cleenagh Fabio who was sired by Kilroot Everest selling for 8500gns to Nigel Foster, Co Durham.

The aim of the Cleenagh Dutch Spotted flock has always been to breed with a selective but small flock, with the aim of producing quality. The flock has really left its own identity this year with the introduction of Mossclair Duggie, we have refrained from selling 2023 born offspring to have them at this event.

This year showed our commitment to invest in top notch sires with the purchase of Diamond Gustavo. This March born lamb is born from the 20,000gn Diamond Frankie and sired by Merryboro Ferrari. He had one outing this year when attending Omagh show, winning 1st prize in a strong class of ram lambs. We again hope to have Gustavo on show on sale day.

Reference to Sires:**Diamond Gustavo**

Purchased from the Diamond flock privately after his dam Diamond Frankie sold for £20,000 with his three full siblings selling for £6500, £5500 and £2600 at average of £4866.

He was purchased for his length, style and massive daily live weight gain. Gustavo is sired from the very impressive sire of Merryboro Ferrari.

Mossclair Duggie

Purchased privately from the Orkney Islands, he brings a lot of strength and power to the Dutch Spotted breed. His first offspring are available at the sale today. His bloodlines are completely new to Ireland and most of the UK, which leaves him with added bonus of being a complete outcross for most potential customers.
