FOREWORD

My father James Christie first started the Suffolks in the 1950s as breeding rams for his own commercial flock, while selling surplus rams at Stirling. When I showed an interest, he decided to go pedigree, so the West Carse flock was established in July 1971. Four gimmers from the Pratis flock, two from Parkhouse, along with a ram lamb from Jack Bulmer's Malton flock were purchased. In October 1971, we purchased two Temple Hall ewes and one at Drumkilbo. This was followed by purchases from Bridgestone, Muireisk & Barron's. A Barron's gimmer was purchased in 1976, she is the cornerstone of my flock, with some of today's bloodlines still going back to her. A further Barron's ewe was purchased in 1990 at the Barron's dispersal.

The West Carse flock was influenced in the early years by Bridgestone Prince Cannon, Barron's Three Ways and Barron's Four Power. The most influential sire used in the flock was Muireisk Lustre, purchased Kelso 1992. Sires most recently shaping the flock were Cairness First Glance and Ballyboe Boe.

On our debut entering The National Flock Competition in 1985, we won the Lloyd Cup 31-60 ewes and won a Certificate of Merit with our ewe lambs. We entered from 1985 to 1992 and were mentioned most years winning The Keeble Cup in 1992 for 61-100 ewes. We are also past winners of the West & Central Flock Competition.

We started showing Suffolks at The RHS from 1981 to 2000, gaining red tickets along the way. Twice been second to the Supreme Champion and then in the millennial year, we won the Championship. As our pedigree Charolais cattle herd expanded we did not have the time to enter competitions. However, following our herd dispersal in recent years, we went back to showing in 2023. On our return to The RHS we won first prize ewe; reserve female champion; reserve overall; and the group of three. Ballyboe Boe's ewes have won the ewe class at The RHS 2023, 2024 and 2025. We have also won the pen of three in 2023, 2025 and 2026.

Throughout the years I have always bred quality sheep with a commercial angle. I will be sorry to see them go as they have been a large part of my life. Along the way I have made many friends from all over the UK and Ireland. I hope these friendships remain for years to come.

I would like to say special thanks to my team who have helped to make this day possible and to all our sponsors who kindly placed an advert.

Lastly, I wish all purchasers every success with their sheep, as nothing will give me more pleasure than to see their progeny appear at shows and sales in the future.

Best wishes to all.

John

REFERENCE TO SIRES

SIRES IN THE EARLY YEARS THAT LEFT THEIR MARK:

BRIDGESTONE PRINCE CANNON Purchased Edinburgh in 1977 for 2,400gns with Hallhill and Southolm. His first son from Westcarse sold for 1,000gns at Edinburgh in 1979 to Jack Bulmer, Malton flock.

BARRON'S THREE WAYS Purchased at Kelso in 1978 for £1,100. He was the backbone of the flock, leaving some tremendous females. Jim Logan and Hugh Allan judged the flock competition in 1978. Hugh Allan came to my father and said that the ram you purchased at Kelso was out of the best ewe in the country after Barron's flock won the Bristol Gold Cup. His full brother won the Edinburgh Show and Sale, Barron's Drambuie, sold for 6,000gns to Howard Peel. Barron's Three Ways was sold as a three shear to Northern Ireland and later bred David Duncan's gimmer that won Balmoral.

BARRON'S FOUR POWER Purchased at Kelso in 1982 for £1,000. A son of the record price Fordafourie Four Square, 13,000gns. His first son sold at Edinburgh in 1984 to a top of 4,000gns to Bridgestone. Another son sold at 2,200gns to the Scryne flock. These two rams are grand sons of the most influential ewe purchased from Barron's W35/J125 by Bridgestone Regalia.

MUIRESK LUSTRE Purchased at Kelso in 1992 for £3,200. A late born lamb by the famous Cairness Cristar, who was the sire of the year. He was the most consistent sire used in the Westcarse flock with 60 sons averaging over £1,000, to a top of 4,000gns.

BARRON'S DRAMBUIE used on four ewes Al'd 1994, siring a lamb that sold for 8,000gns Edinburgh in 1995.

ALLOAKS ECLIPSE Purchased Edinburgh in 1999 for 2,500gns shared with Hallhill. Sire Glenisla Submission, dam J65:T37 by Westcarse Mr Sheen, who was sired by Muirek Lustre and out of the Barron's ewe, purchased at their dispersal in 1990, being a granddaughter of the famous W35:F28. The RHS Supreme Champion in 2000. He left some outstanding females. Reintroduced with the last six straws of semen, 2010 and bred 47D:11:035, being the most influential ewe in recent years. She is the g.d. of Westcarse Bella and Bella's full sister, who was the mother of Westcarse Lustre. This line goes back to the Barrons ewe purchased in the 1970s.

CAIRNESS FIRST GLANCE Purchased privately with Hallhill 2006. A late born lamb. Westcarse only had three February lambs. Two sold at Edinburgh in 2007 to a top of 20,000gns to Cairness. His three lambs averaged over 8,000gns. Unfortunately, lost him as a shearling.

BALLYBOE BOE Purchased jointly with Hallhill at Stirling in 2019. Sire Limestone Aston Martin (40,000gns) and dam was the Ballynacannon Show gimmer. He was one of the top ten sires used in the last 55 years. His females were outstanding, winning the ewe class at The RHS three years in a row, 2023, 2024 & 2025.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us.
