FOREWORD

There comes a time in life when difficult decisions have to be made, and for me this is undoubtedly one of them.

This sale represents the complete sale of the Willpower Bleu du Maine flock, bringing to a close of this chapter with sheep. I have never been without sheep since I was six years old, and it is hard to imagine life without them. They have shaped my days, my seasons, and my family life for as long as I can remember.

The Bleu du Maine breed has become far more than just livestock to me. They have been a passion and a privilege to breed, and through the Willpower flock I have always strived to produce sheep with sound conformation, strong maternal qualities and true breed character. Every mating has been carefully considered with the aim of breeding animals that would not only succeed in the show ring but also perform commercially and make a valuable contribution to the breed.

Over the years I have been fortunate to enjoy many memorable moments, but the greatest reward has been the friendships made within the sheep community and the satisfaction of seeing Willpower-bred stock go on to succeed in other flocks.

Although this is a sad occasion, I take comfort in knowing that these sheep will move on to new homes where I hope they will continue to flourish and help strengthen the Bleu du Maine breed for years to come.

I would like to sincerely thank everyone who has supported me over the years—my family, friends, fellow breeders, customers and neighbours. Your encouragement, advice and friendship have meant more than words can express, and you have all played a part in the journey of the Willpower flock.

Finally, I would like to thank everyone who has shown an interest in this sale. I hope the sheep go on to bring their new owners the same pride and enjoyment that they have brought me over the years, and I wish every purchaser every success with their selections.

Thank you for your support.

The Willpower flock may be leaving me, but it will always remain a part of who I am.

Flock Health

- All are MV accredited
- On the Heptovac P plus system
- Blue Tounge vaccinated (Lambs have received two vaccines)

All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
