Land Rover Defender

Lot 8

Land Rover Defender

110 station wagon with 9 seats

72764 genuine miles. MOT until February 2021. 9/11 seats (Depends how slight you are in the boot) Vehicle requires work. Body work, window wipers, doors, drivers side electric window doesn't work. Brakes, shocks, suspension will all require attention. A really good work horse with plenty of life left in the engine.

CLEARANCE OF ITEMS: On settling of your account, all lots must be removed from Laggan by Sunday 6th December. There will be no exception to this.

Zip wire

Lot 13

Zip wire

Zip wire - currently the longest in Scotland and in good condition. Structures top and bottom, stays, wires, braking system all well maintained and annually inspected. Braking system is a bungy braking system with braking trolleys which reduce impact on arrival. Once moved, the zip wire, if in commercial operation, will require a type A inspection through an ERCA registered body. Laggan Outdoor team are happy to assist with the taking down/de-tensioning of the wires, but the removal of the rest of the structure will require some time and people with tools/vehicles and knowledge. During a good season, 10,000 people would zip the zip. In the right location, this throughput could be treble or quadruple that. A good investment opportunity for someone.
